CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

An overissuance is the amount of benefits issued to the client group in excess of what they were eligible to receive. BAM 705. The amount of the overissuance is the amount of benefits the group actually received minus the amount the group was eligible to receive. BAM 720. When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the over issuance. BAM 700.

Department errors are caused by incorrect actions by the Department. BAM 705. Department error overissuances are not pursued if the estimated overissuance is less than █████ per program. BAM 700. Client errors occur when the customer gave incorrect or incomplete information to the Department. Client errors are not established if the overissuance is less than █████ unless the client group is active for the over issuance program, or the overissuance is a result of a quality control audit finding. BAM 700.

Department errors are caused by incorrect actions by the Department of Human Services (DHS) or the Department of Information and Technology staff or department processes. Some examples are available information was not used or was used incorrectly, policy was misapplied, action by local or central office staff was delayed, computer errors occurred, information was not shared between department divisions (services staff, Work First! agencies, etc.) or data exchange reports were not acted upon timely (Wage Match, New Hires, BENDEX, etc.). If the department is unable to identify the type of overissuance, it is recorded as a department error. BAM 705. Department error overissuances are not pursued if the estimated overissuance is less than \$125 per program. BAM 700.
