### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACCS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of

1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, Claimant disputed the income findings of the Department. Specifically, Claimant disputed income at [REDACTED] stating that he had lost that job and the income should not have been included. The Administrative Law Judge finds that the evidence in the file shows that Claimant was not working at [REDACTED] during the time of the application, and no income from this job should have been included.

However, Claimant also stated income on his application from [REDACTED], alleging a pay rate of \$7.40 an hour and 40 hours per week. Claimant had submitted a letter to the Department that confirms Claimant's statement of wages. While Claimant alleged that he had not begun work at [REDACTED] until November 14, the Department was prospecting income in this matter, not making a determination of actual income; that is, the Department was making a determination as to Claimant's average monthly wage, and not making a determination as to how much Claimant made during the month of November. Combined with Claimant's income as a home health aide provider, Claimant's employment income is still far above the income limits for the FIP program.

Therefore, as Claimant's employment income exceeds the income limits for the FIP program, the Department was correct to deny Claimant's application for FIP benefits.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department  properly  improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for:  AMP  FIP  FAP  MA  SDA  CDC.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department

did act properly  did not act properly.

Accordingly, the Department's  AMP  FIP  FAP  MA  SDA  CDC decision is  AFFIRMED  REVERSED for the reasons stated on the record.
