MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 2012378
Issue No: 1003, 2006, 3008
Case No: [REDACTED]
Hearing Date: November 23, 2011
Kent County DHS

ADMINISTRATIVE LAW JUDGE: Christopher S. Saunders

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on August 18, 2011. The claimant personally appeared and provided testimony as did her friend, [REDACTED], who also served as a translator.

ISSUE

Did the department properly close the claimant's Family Independence Program (FIP) benefits AND Medical Assistance (MA) benefits and reduce the claimant's Food Assistance Program (FAP) benefits due to child support noncooperation?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was receiving FIP, MA, and FAP benefits when those benefits were sanctioned due to the claimant allegedly not complying with child support. (Department Exhibits 2-4).
2. The claimant was sent a notice of noncooperation by the Office of Child Support on July 28, 2011 stating that she had failed to respond to two previous notices of noncooperation on March 23, 2011 and July 20, 2011 and as such that her benefits were subject to sanction. (Department Exhibit 7).
3. The claimant was sent a notice of case action (DHS 1605) on July 28, 2011, stating that her FIP benefits would be closing, her MA benefits would be closing for herself, and her FAP benefits were to be reduced as of September 1, 2011 due to the alleged noncompliance with child support. (Department Exhibit 2-4).

4. The claimant submitted a hearing request on September 9, 2011.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Medical Assistance (MA) program was established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The department administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA).

Department policy states:

DEPARTMENT PHILOSOPHY

Families are strengthened when children's needs are met.
Parents have a responsibility to meet their children's needs

by providing support and/or cooperating with the department including the Office of Child Support (OCS), the Friend of the Court and the prosecuting attorney to establish paternity and/or obtain support from an absent parent. BEM 255, p. 1.

DEPARTMENT POLICY

FIP, CDC Income Eligible, MA and FAP

Clients must comply with all requests for action or information needed to establish paternity and/or obtain child support on behalf of children for whom they receive assistance, unless a claim of good cause for not cooperating has been granted or is pending.

Absent parents are required to support their children. Support includes **all** the following:

- . Child support
- . Medical support
- . Payment for medical care from any third party.

Note: For purposes of this item, a parent who does not live with the child due solely to the parent's active duty in a uniformed service of the U.S. is considered to be living in the child's home.

Failure to cooperate without good cause results in disqualification. Disqualification includes member removal, denial of program benefits, and/or case closure, depending on the program.

Exception: A pregnant woman who fails to cooperate may still be eligible for MA.

GOOD CAUSE FOR NOT COOPERATING

FIP, CDC Income Eligible, MA and FAP

Exceptions to the cooperation requirement are allowed for all child support actions **except** failure to return court-ordered support payments received after the payment effective date. Grant good cause **only** if:

- . requiring cooperation/support action is against the child's best interests, **and**

- . there is a specific “good cause” reason.

If good cause exists, cooperation is excused as an eligibility requirement for the child involved. It can still be required for another child in the same family. BEM 255, pp. 1-2.

Good Cause Reasons

FIP, CDC Income Eligible, MA and FAP

There are two types of good cause:

- . Cases in which establishing paternity/securing support would harm the child. Do **not** require cooperation/support action in any of the following circumstances.
 - .. The child was conceived due to incest or forcible rape.
 - .. Legal proceedings for the adoption of the child are pending before a court.
 - .. The client is currently receiving counseling from a public or licensed private social agency to decide if the child should be released for adoption, **and** the counseling has **not** gone on for more than three months.
- . Cases in which there is danger of physical or emotional harm to the child or client. Physical or emotional harm may result if the client or child has been subject to or is in danger of:
 - .. Physical acts that resulted in, or threatened to result in, physical injury.
 - .. Sexual abuse.
 - .. Sexual activity involving a dependent child.
 - .. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities.

- .. Threats of, or attempts at, physical or sexual abuse.
- .. Mental abuse.
- .. Neglect or deprivation of medical care. BEM 255, pp. 2-3.

COOPERATION

FIP, CDC Income Eligible, MA and FAP

Cooperation is a condition of eligibility. The following persons in the eligible group are required to cooperate in establishing paternity and obtaining support, unless good cause has been granted or is pending.

- . Grantee and spouse.
- . Specified relative/person acting as a parent and spouse.
- . Parent of the child for whom paternity and/or support action is required.

Cooperation is required in all phases of the process to establish paternity and obtain support and includes **all** of the following:

- . Contacting the SS when requested.
- . Providing all known information about the absent parent.
- . Appearing at the office of the prosecuting attorney when requested.
- . Taking any actions needed to establish paternity and obtain child support (e.g., testifying at hearings or obtaining blood tests).

SUPPORT DISQUALIFICATION

FIP, CDC Income Eligible, MA and FAP

You will be notified of a client's failure to cooperate by the SS or the child support noncooperation report. Start the support disqualification procedure upon receipt of this notice.

Do **not** impose the disqualification if any of the following occur during the negative action period:

- . You are notified by OCS that the client has cooperated.
- . The case closes for another reason.
- . The noncooperative person leaves the group.
- . Support/paternity action is no longer a factor in the child's eligibility (e.g., the child leaves the group).
- . **For disqualifications based on failure to return court-ordered support**, the client cooperates with the requirement of returning court-ordered support payments or the support order is certified. BEM 255, p. 9.

Department policy indicates that clients are required to pursue any potential benefits for which they may be eligible. BEM 270. One of these benefits is child support. Department policy indicates that the head of the household and the parent of children must comply with all requests for action or information needed to establish paternity and/or obtain child support on behalf of children for whom they receive assistance, unless a claim of good cause has been granted. BEM 255.

Department policy indicates that there are situations in which child support will not be required to be pursued. Good cause can only be granted when requiring the cooperation/support action is against the child's best interest and there is a specific good cause reason. BEM 255. Good cause reasons exist if establishing paternity would harm the child or there is a danger of physical or emotional harm to the child or client. BEM 255.

Department policy indicates that cooperation with child support is a condition of eligibility for FAP. BEM 255. Failure to cooperate without good cause results in disqualification for the individual from the FAP program.

In the case at hand, the claimant testified that she attempted to contact the Office of Child Support (OCS) but that she was unable to make contact with the assigned case worker. She testified that after she attempted to contact the office of child support she contacted her case worker at the department to attempt to resolve the situation. An email from the department case worker to the Office of Child Support from August 31, 2011 tends to support this assertion. The claimant further testified that she in fact sent in the required paperwork to the OCS in June but she did not hear back from them. There was no corroborating evidence presented to support the claimant's contention that said documents were mailed out to the OCS in June. The claimant

further testified that she did receive the prior letters sent by the OCS regarding her noncompliance but that she did not act upon at least one of those letters because she did not understand what it was that she had to do. The evidence of records shows that the claimant finally did get in contact with the department on August 31, 2011; well past the July 28, 2011 sanction date. This Administrative Law Judge therefore finds that the claimant was not in cooperation with child support at the time the department sanctioned her case.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly sanctioned the claimant's FIP, MA, and FAP benefits due to child support noncooperation.

Accordingly, the department's actions are **AFFIRMED**. It is SO ORDERED.
