### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98

and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

With regard to the MA eligibility determination, the State of Michigan has set guidelines for income, which determine if an MA group is eligible. Claimant is not eligible for Group 1 Medicaid. Net income (countable income minus allowable income deductions) must be at or below a certain income limit for Group 1 eligibility to exist. BEM 105.

For Group 2, eligibility is possible even when net income exceeds the income limit. This is because incurred medical expenses are used when determining eligibility for FIP-related and SSI-related Group 2 categories. BEM 105. Income eligibility exists for the calendar month tested when:

- There is no excess income, **or**
- Allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines).

BEM 545.

Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544.

An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the “protected income level” as set forth in RFT 240. An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA.

However, an MA group may become eligible for assistance under the deductible program. The deductible program is a process which allows a client with excess income to be eligible for MA if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

The MA budgets included Claimant’s husband’s income. Per policy, this income must be counted as income to the group. The Administrative Law Judge has reviewed the budgets and found no errors. Claimant herself was unable to point out specifically what parts of the budget she felt were in error. Claimant argued that the budget was unfair, but did not dispute policy. Therefore, Claimant only becomes eligible for Group 2 MA when the excess income, calculated to be \$1,402.17, is spent. This amount was calculated after considering Claimant’s allowed protected needs level. The undersigned cannot point to any errors in the budgets, and must conclude that the Department’s calculations were correct.

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. BEM, Item 500. A standard deduction from income of \$146 is allowed for certain households. Certain non-reimbursable medical expenses above \$35 a month may be deducted for senior/disabled/veteran group members. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$459 for non-senior/disabled/veteran households. BEM, Items 500 and 554; RFT 255; 7 CFR 273.2. Only heat, electricity, sewer, trash and telephone are allowed deductions. BEM 554. Any other expenses are considered non-critical and, thus, not allowed to be deducted from gross income. Furthermore, RFT 255 states exactly how much is allowed to be claimed for each deduction.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the Department properly computed Claimant's gross income. The gross income amount must be counted as income. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The Department, in compliance with the federal regulations, has prepared issuance tables which are set forth at Bridges Reference Manual, Table 260. The issuance table provides that a household with the same household size and net income as that of Claimant is eligible for an FAP amount of \$150. The Administrative Law Judge has reviewed the budget and found no significant errors. Claimant was unable to point out specifically what parts of the budget she felt were in error. Per policy, Claimant's husband's income must be counted as income to her group.

While Claimant protested that other expenses should have been considered, ultimately, policy does not allow for any expenses to be considered besides excess shelter which, according to Claimant's own testimony, was already taken into account.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department  properly  improperly

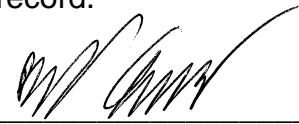

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for:  AMP  FIP  FAP  MA  SDA  CDC.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department  did act properly  did not act properly.

Accordingly, the Department's  AMP  FIP  FAP  MA  SDA  CDC decision is  AFFIRMED  REVERSED for the reasons stated on the record.
