CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR).

The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 ACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, at the hearing, Claimant testified that he was satisfied with the action the Department took with regard to his FAP benefits and requested that the Administrative Law Judge dismiss this issue from the case at bar. The Department had no objection to the dismissal. It shall be granted.

Second, with regard to the denial of AMP, Claimant testified he understood that the program was closed but argued that because he received AMP benefits earlier, his application was not in effect a new application and he should be admitted back into the program as a returning participant.

BEM 640, "Adult Medical Program," states as follows:

Applications received during the freeze on AMP enrollments must be registered and denied using "applicant did not meet other eligibility requirements" as the denial reason. BAM 640 (2010), p. 1.

The policy contains no exception for returning AMP applicants and, therefore, it is found and determined that the Department acted correctly in processing Claimant's application in the same manner as it processes all AMP applications.

As a second argument regarding his application, Claimant argued that his application should be considered as an application for MA disability benefits. However, Claimant checked the box on the application to indicate that he was not disabled. At the hearing, Claimant was advised to file a new application if he wished to apply for disability benefits.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

In addition, at Claimant's request, the FAP issue is dismissed from this case.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department

did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.

It is further ordered that at the Claimant's request, the FAP issue is hereby DISMISSED from this case.
