CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98

and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, in the instant case, the claimant's child care provider was found not suitable due to not meeting the department's provisions. The claimant testified that she was not able to find a suitable provider in the time allotted by the department.

On September 6, 2012, the claimant attended a triage at which the claimant testified that she could not find suitable child care. The department found this to be not good cause for failing to participate in required activity.

Pertinent policy may be found in BEM 230A:

Lack of Child Care

In the Employment Services - Detail screen in Bridges, select the No child care for child under six deferral reason and respond to questions regarding child care when a single parent who personally provides care for a child under age six in the FIP EDG and adequate child care is unavailable. Adequate child care meets all of the following:

Appropriate. The care is appropriate to the child's age, disabilities and other conditions.

Reasonable distance. The total commuting time to and from work and child care facilities does not exceed three hours per day.

Suitable provider. The provider meets applicable state and local standards. Unlicensed providers who are not registered/licensed by the DHS Bureau of Children and Adult Licensing must meet DHS enrollment requirements.

Affordable. The child care is provided at the rate of payment or reimbursement offered by DHS.

Clients who need assistance in finding a licensed or registered provider should be referred to Great Start Connect. The online Web-based early learning resource site can be accessed at www.greatstartforkids.com. All active licensed and registered providers are searchable. If additional assistance is needed, clients can be referred to 1-877-614-7328, to search the Great Start Regional Child Care Resource Center serving their county. Resource centers can provide personal consultation for families in need of child care. If a provider cannot be located, the client needs to provide verification. (BEM 230A, pp7-8, August 30, 2012).

Here, the department was aware of the claimant's lack of child care because it had denied approval for the child care provider that the claimant already had. Despite this knowledge the department failed to provide the assistance called for in policy.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
 did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Initiate the reopening of the claimant's FIP back to the closure of her FIP and replace any lost benefits.
