CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98

and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

At the hearing testimony of the claimant's AR established that the claimant did have a minor child in the home. This issue was not addressed by the department other than to testify that the claimant's daughter should be covered under Other Healthy Kids (OHK), but could not respond as to whether the child was covered under OHK.

The problem that arises is that the department is obligated to check all MA programs for their applicability.

CHOICE OF CATEGORY

Persons may qualify under more than one MA category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income.

Persons may receive both Medicare Savings Program benefits (BEM 165) and coverage under another MA category; see Medicare Savings Program in this item.

However, clients are not expected to know such things as:

Ineligibility for a FIP grant does not mean MA coverage must end.

The LIF category is usually the most beneficial category for families because families who become ineligible for LIF may qualify for TMA or Special N/Support.

The Healthy Kids categories are usually the next most beneficial categories for persons under age 19 and pregnant women.

The most beneficial category may change when a client's circumstances change. (BEM 105, p.2, July 29 2011).

In the instant case the department did not appear to check MA categories for the most beneficial category, as evidenced by their inability to respond to whether claimant's minor child was covered under OHK.

In addition, the department failed to include a copy of the "notice of case action." The department did include a Bridges sheet showing that eligibility had been denied, using one reason that there were no eligible members, which as discussed above, is not the case here.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:
