CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

At the hearing the Department presented evidence that it had sent the claimant notice of an in-person interview on June 12, 2012, for an interview to take place on July 5, 2012. The claimant did not attend the scheduled interview, a fact not challenged by the claimant.

The claimant was also sent a medical determination checklist as well as the correct forms to be completed by the claimant and/or his physician(s) on June 21, 2012. The information requested by the department was largely left unanswered.

The claimant testified that he called the department at least once a week seeking assistance to complete the forms. The department did not respond to the claimant's telephone calls.

The department also testified that it was aware that the claimant had documented past psychological problems.

The department was bound to provide the necessary assistance especially when it had knowledge of the claimant's past psychological problems.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
