### **CONCLUSIONS OF LAW**

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), the Reference Tables Manual (RFT), and the State Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The law provides that disposition may be made of a contested case by stipulation or agreed settlement. MCL 24.278(2).

In the present case, Claimant requested a hearing to dispute the Department's action. Soon after commencement of the hearing, the parties testified that they had reached a settlement concerning the disputed action. Consequently, the Department agreed to do the following: the Department agreed to process the Claimant's March 29, 2010 Application for Medical Assistance and retro application for December 2009 to determine eligibility. ██████████ Claimant's AHR, agreed to provide the Department the completed application Form 1171 so that the Department can process the application; any additional information that the Department requires, and requests shall be by verification checklist in order to update and complete the application and application processing.

As a result of this settlement, Claimant no longer wishes to proceed with the hearing. As such, it is unnecessary for this Administrative Law Judge to render a decision regarding the facts and issues in this case.

**DECISION AND ORDER**

The Administrative Law Judge concludes that the Department and Claimant have come to a settlement regarding Claimant's request for a hearing.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING:

1. The Department shall process the Claimant's application dated March 29, 2010 and retro application to December 2009 to determine Claimant's eligibility to receive medical assistance.
2. [REDACTED] shall provide the Department a copy of the entire application (DHS 1171) so that the Department can process the application.
3. The Claimant's AHR shall provide any additional information required by the Department which the Department shall request by Verification Checklist to update and complete the application and application processing.
