1. Claimant applied for was receiving: FIP FAP MA SDA CDC.
2. On November 1, 2012, the Department closed the Claimant's MA case for failing to return redetermination paperwork.
3. On October 30, 2012, Claimant filed a hearing request, protesting the closure.

CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The MA program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Department of Human Services must periodically redetermine an individual's eligibility. The redetermination process includes thorough review of all eligibility factors.

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes completion of necessary forms. Clients must completely and truthfully answer all questions on forms and in interviews.

Testimony and other evidence must be weighed and considered according to its reasonableness.¹ Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine.² In evaluating the credibility and weight to be given to the testimony of a witness, the fact-finder may consider the demeanor of the witness, the reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter.³

In this case, the Claimant's mother whom assisted the Claimant with the redetermination paperwork admitted she had failed to include the first two pages of the redetermination paperwork when she assisted her son in submitting the documentation.

Therefore, based on material, competent and substantial evidence, I find the Department properly closed the Claimant's MA case as the Claimant failed to return the requested documentation.
