☐ The Child Development and Care (CDC) program is established by Titles IVA, IVE
and XX of the Social Security Act, the Child Care and Development Block Grant of
1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.
The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98
and 99. The Department provides services to adults and children pursuant to MCL
400.14(1) and Mich Admin Code, R 400.5001 through R 400.5015.
☐ Direct Support Services (DSS) is administered by the Department pursuant to MCL

Additionally, at the hearing, the Department testified that Claimant's FAP budget was recalculated in connection with his mid-certification. The Department concluded that Claimant's net income exceeded the net income limit for his group size of one and notified Claimant in a November 19, 2012, Notice of Case Action that his FAP case would close effective December 1, 2012.

400.57a, et. seq., and Mich Admin Code R 400.3603.

At the hearing, the Department produced a FAP budget showing the calculation of Claimant's net income. The budget showed that Claimant had monthly unearned income of \$2171 and that he was the only member of his FAP group, which he confirmed. Claimant contended that he had medical expenses and child support obligations that exceeded amounts indicated for the medical deduction and child support deduction, respectively, in the FAP budget. However, the Department credibly testified that Claimant had confirmed the Department's use of the figures used in the budget on his mid-certification form. Because Claimant did not indicate a change in expenses and provide proof of the expense, the Department acted in accordance with Department policy when it used the medical and child support deductions that Claimant had confirmed in his mid-certification in the FAP budget. BAM 210 (November 1, 2012), pp 7-8.

There were also concerns raised at the hearing concerning whether Claimant's shelter expenses were considered in the calculation of his net income and the amount considered, if any. At the hearing, the Department testified that Claimant had indicated in his mid-certification that he was responsible for \$600 of the monthly \$1200 rent on his home. The Department initially indicated that, because no verification of rent was provided, it did not consider any shelter expenses in calculating Claimant's FAP budget. However, the Department then testified that it did, in fact, consider \$600 for rent. The Department did not provide an excess shelter deduction budget at the hearing to show the figures it considered in calculating the \$91 excess shelter deduction shown on the FAP budget. However, a subsequent review of the budget figures shows that the Department considered only the \$575 heat and utility shelter deduction available in all FAP cases and **no** monthly shelter expenses in calculating the excess shelter deduction. See BEM 554 (October 1, 2012), p 1; RFT 255 (October 1, 2012), p 1; BEM 556 (July 1, 2011), p 4.

If Claimant provided verification of his lease expense of \$1200 with the mid-certification, he would be eligible to have the full \$1200 expense considered in the calculation of his

excess shelter deduction. See BAM 210, pp 7-8; BEM 554 (October 1, 2012), p 10. If Claimant indicated in his mid-certification that there was a change in his shelter expense but failed to provide any verification, then the Department could remove the expense entirely from the calculation of the excess shelter deduction. BAM 210, pp 7-8. Because the Department failed to establish at the hearing whether Claimant provided verification of any changes in shelter expenses reported in the mid-certification and because its testimony that it considered Claimant's rent in the calculating the excess shelter deduction is inconsistent with the amount of the excess shelter deduction, the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it calculated the excess shelter deduction, and consequently, Claimant's net income. Thus, the Department did not act in accordance with Department policy when it closed Claimant's FAP case based on excess income.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record and above, the Administrative Law Judge concludes that the Department
<ul> <li>□ properly denied Claimant's application</li> <li>□ properly closed Claimant's case</li> <li>□ improperly denied Claimant's application</li> <li>□ improperly closed Claimant's case</li> </ul>
