ISSUE

Did Respondent receive an OI of FIP FAP SDA CDC benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent was a recipient of FIP FAP SDA CDC during the period January 2010 through June 19, 2010. .

2. Respondent received a FIP FAP SDA CDC OI during the period January 2012 , through June 19, 2012, due to Department's Respondent's error.
3. \$8,322 of the OI is still due and owing to the Department.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, in this case, the Department seeks an OI of CDC benefits due to Respondent continuing to receive CDC benefits after failing to attend Work First. The Department indicated on the record that it is not requesting an IPV. A review of the evidence presented indicates that Respondent's FIP case may also have been closed due to non cooperation with the Office of Child Support. Exhibit 1, p. 27. This information was contained in the View Case Notes which documents the Work First participation of Respondent. These notes indicate that Respondent's FIP case was terminated due to non cooperation. Exhibit 1, p. 27. At the hearing, the Department did

not present a notice of case action or eligibility summary which would have established the reason for closure. Whether Respondent was in non cooperation or whether a sanction was imposed for failure to attend Work First resulting in FIP closure, it is clear that Respondent's case closed as of 1/1/10 and, in either case, she would not have been eligible to receive CDC benefits. The evidence presented also established that Respondent reapplied for Food Assistance Program benefits and Family Independence Program benefits (cash assistance) in an application dated July 19, 2010. The best evidence of closure is a Notice of Case Action that definitively establishes when closure occurs and why. It was established that Respondent received \$8,322 in CDC benefits for the period in question, January 2012 through June 19, 2012. Exhibit 1, pp. 30 and 31.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department properly determined that Respondent received a \$8,322 OI of CDC benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, finds that the Department did make the correct determination to establish a debt.

Accordingly, the Department is AFFIRMED with respect to the establishment of an overissuance to the Claimant of CDC benefits.

The Department is ORDERED to initiate collection procedures in accordance with Department policy.
