

STATE OF MICHIGAN  
MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

**IN THE MATTER OF:**

[REDACTED]

Reg. No: 2013-16205  
Issue No: 2021  
Case No: [REDACTED]  
Hearing Date: June 6, 2013  
Saginaw County DHS

**ADMINISTRATIVE LAW JUDGE:** Landis Y. Lain

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on June 6, 2013. Claimant personally appeared and testified. The department was represented by Eligibility Specialist [REDACTED] [REDACTED]

**ISSUE**

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA-P) and retroactive Medical Assistance (retro MA) based upon its' determination that claimant possessed in excess of \$2000 (\$3000 for a couple) in countable available assets?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On September 1, 2012, claimant filed an application for Medical Assistance and State Disability Assistance benefits.
- (2) Verification information was provided to the department and the department determined that claimant had in excess of \$2000 (\$3,000 for a couple) in countable available assets.
- (3) On November 15, 2012, the department caseworker sent claimant notice that her application and retroactive Medical Assistance application were denied for possession of excess assets.
- (4) On November 21, 2012, claimant's representative filed a request for a hearing to contest the department's negative action.

## CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

### **ASSETS**

#### **DEPARTMENT POLICY**

#### **FIP, SDA, LIF, Group 2 Persons Under Age 21, Group 2 Caretaker Relative, SSI-Related MA, and AMP**

Assets must be considered in determining eligibility for FIP, SDA, LIF, Group 2 Persons Under Age 21 (G2U), Group 2 Caretaker Relative (G2C), SSI-related MA categories and AMP.

- . “CASH” (which includes savings and checking accounts)
- . “INVESTMENTS”
- . “RETIREMENT PLANS”
- . “TRUSTS” BEM, Item 400.

#### **Assets Defined**

**Assets** means cash, any other personal property and real property. **Real property** is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. **Personal property** is any item subject to ownership that is **not** real property (examples: currency, savings accounts and vehicles). BEM, Item 400.

#### **Overview of Asset Policy**

Countable assets **cannot** exceed the applicable asset limit. Not all assets are counted. Some assets are counted for one program, but **not** for another program. Some programs do **not** count assets (see “PROGRAMS WITH NO ASSET TEST” below).

You must consider the following to determine whether, and how much of, an asset is countable.

- . Availability
  - .. see "AVAILABLE"
  - .. see "JOINTLY OWNED ASSETS"
  - .. see "NON-SALABLE ASSETS"

Exclusions. BEM, Item 400, p. 1.

An asset is countable if it meets the availability tests and is **not** excluded. BEM, Item 400, p. 1.

You must consider the assets of each person in the asset group. See the program's asset group policy below. BEM, Item 400, p. 1.

An asset converted from one form to another (example: an item sold for cash) is still an asset. BEM, Item 400, p. 1.

### **FIP, SDA, LIF, G2U, G2C, and AMP Only**

The following types of assets are the only types considered for FIP, SDA, LIF, G2U, G2C, and AMP:

- . "CASH" (which includes savings and checking accounts)
- . "INVESTMENTS"
- . "RETIREMENT PLANS"
- . "TRUSTS." BEM, Item 400.

### **SSI Related MA**

All types of assets are considered for SSI-related MA categories. BEM, Item 400, p. 2.

### **MA ASSET ELIGIBILITY**

#### **LIF, G2U, G2C, AMP and SSI-Related MA Only**

Asset eligibility is required for LIF, G2U, G2C, AMP and SSI-related MA categories. BEM, Item 400, p. 3.

**Note: Do not deny or terminate TMA-Plus, Healthy Kids or Group 2 Pregnant Women because of a refusal to provide asset information or asset verification requested for purposes of determining LIF, G2U, G2C or SSI-related MA eligibility.**

Use the special asset rules in BEM 402 for certain married L/H and waiver patients. See PRG, Glossary, for the definition of L/H patient and BEM 106 for the definition of waiver patient.

Asset eligibility exists when the asset group's countable assets are less than, or equal to, the applicable asset limit at least one day during the month being tested. BEM 400.

At **application**, do not authorize MA for future months if the person has excess assets on the processing date. BEM, Item 400, p. 4.

If an **ongoing** MA recipient or active deductible client has excess assets, initiate closure. However, delete the pending negative action if it is verified that the excess assets were disposed of. Payment of medical expenses, living costs and other debts are examples of ways to dispose of excess assets without divestment. LTC and waiver patients can be penalized for divestment (see BEM 405). BEM, Item 400, p. 4.

### **LIF Asset Limit**

#### **LIF Only**

\$3,000. BEM, Item 400, p. 4.

### **SSI-Related MA Asset Limit**

#### **SSI-Related MA Only**

For Freedom to Work (BEM 174) the asset limit is \$75,000. IRS recognized retirement accounts (including IRA's and 401(k)'s) may be of unlimited value.

For Medicare Savings Program (BEM 165) and QDWI (BEM 169) the asset limit is:

- . \$4,000 for an asset group of one
- . \$6,000 for an asset group of two

For all other SSI-related MA categories, the asset limit is:

- . \$2,000 for an asset group of one

. \$3,000 for an asset group of two. BEM, Item 400, p. 4.

### **AVAILABLE**

#### **FIP, SDA, LIF, G2U, G2C, SSI-Related MA and AMP**

An asset must be available to be countable. **Available** means that someone in the asset group has the legal right to use or dispose of the asset. BEM, Item 400, p. 6.

Assume an asset is available unless evidence shows it is **not** available. BEM, Item 400, p. 6.

#### **FIP, SDA, LIF, G2U, G2C, SSI-Related MA, AMP and FAP**

The value of the types of assets described above is the amount of the:

- Money/currency.
- Uncashed check, draft or warrant.
- Money in the account or on deposit.
- Money held by others.

Reduce the value of a time deposit by the amount of any early withdrawal penalty, but **not** the amount of any taxes due. BEM, Item 400, pages 12-13.

In the instant case, claimant provided information that he had assets totaling \$ [REDACTED] which was the value of three vehicles that he inherited. Therefore, claimant failed the asset test. The department has established by the necessary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it determined that claimant had in excess of \$2000 (\$3000 for a couple) of countable available assets on the date of application. Therefore, the department's decision must be upheld.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that claimant had in excess of \$2000 in countable available assets for purposes of Medical Assistance and retroactive Medical Assistance benefit eligibility on the date of application. The department properly denied claimant's application for Medical Assistance under the circumstances and determined that she had in excess of \$2000 of countable available assets.
