DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon the Appellant's request for a hearing.

After due notice, a hearing was held on ██████████. The Appellant appeared without representation. He had no witnesses. ██████████, Appeals Review Officer, represented the Department. His witness was ██████████, MDCH Medicaid analyst.

ISSUE

Did the Department properly deny Appellant's request for prior authorization of lower partial dentures?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. At the time of hearing, the Appellant is a ██████-year old, Medicaid beneficiary. (Appellant's Exhibit #1)
2. The Appellant's dentist (Dr. ██████████, DDS) sought approval, on ██████████, for a lower partial denture to compliment the upper denture recently received by the Appellant. (Department Exhibit A, pp. 2 and 7)
3. The Department reviewed the PA and denied because the Appellant had 8 teeth or more,¹ including fixed bridges and dentures, in occlusion. (Department's Exhibit A, pp. 2 and 7)
4. The denial was based on Medicaid policy requiring that the beneficiary have

fewer than eight teeth in occlusion, including fixed bridges and dentures. (Department's Exhibit A, pp. 2, 5 and See Testimony)

5. On [REDACTED], the Appellant was notified of the Department's denial. He was further advised of his appeal rights. (Department's Exhibit A, pp. 5 and 6)

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

PRIOR AUTHORIZATION

Medicaid requires prior authorization (PA) to cover certain services before those services are rendered to the beneficiary. The purpose of PA is to review the medical need for certain services. It does not serve as an authorization of fees or beneficiary eligibility. Different types of services requiring PA include:

- Procedures identified as requiring PA on the procedure code databases on the MDCH website;
- Procedures/items that are normally noncovered but may be medically necessary for select beneficiaries (e.g., surgery normally cosmetic in nature, obesity surgery, off-label use drugs, etc.); and
- Referrals for elective services by out-of-state nonenrolled providers.

Medicaid Provider Manual, MPM, Practitioner § 1.10,
October 1, 2012, p. 4.

Under the general policy instructions for Medicaid related dental services the MPM sets the threshold for dentures at less than eight teeth in occlusion:

Complete and partial dentures are benefits are authorized:

- If there is one or more anterior teeth missing;

- If there are less than eight posterior teeth in occlusion (fixed bridges and dentures are to be considered occluding teeth); or
- Where an existing complete or partial denture cannot be made serviceable through repair, relining, adjustment, or duplicating (rebasing) procedures. If a partial denture can be made serviceable, the dentist should provide the needed restorations to maintain use of the existing partial, extract teeth, add teeth to an existing partial, and remove hyperplastic tissue.

MPM, Dental, §6.6A, October 1, 2012, p.17

At hearing, the Department witness explained that the Appellant's request was denied for failure to meet policy requirements regarding number of teeth in occlusion.

The Appellant said he needed the lower dentures owing to pain in his left jaw and that chewing anything was "...hard."

The Department witness said that the Appellant had ten (10) teeth in occlusion as of placement of his upper denture.

On review, I thought the Department's decision to deny dentures was reached within policy.

The Appellant failed to preponderate his burden of proof.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly denied PA of the Appellant's request for lower partial dentures.

IT IS THEREFORE ORDERED that:

The Department's decision is **AFFIRMED**.
