CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The FAP [formerly known as the Food Stamp (F S) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720.

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

Here the OIG provided unequivocal evidence that Respondent became a resident of Mississippi as early as April 18, 2011 when the Respondent began using his EBT card exclusively in Mississippi. On that date, the Respondent was no longer eligible to receive FAP benefits. BEM 220, p. 1.

Based on the credible testimony and other evidence presented, I have concluded the OIG established, under the clear and convincing standard, that Respondent committed an IPV in this matter. At no time did the Respondent inform the Department of his move to Mississippi as he knew he was required to do in order to receive additional benefits.

DECISION AND ORDER

I have concluded, based upon the above Findings of Fact and Conclusions of Law:

1. Respondent did did not commit an IPV.
2. Respondent did did not receive an overissuance of program benefits in the amount of \$ [REDACTED] from the following program(s) FIP FAP SDA CDC.

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 1 year.
