CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Department states in its hearing summary that the case is with the Medical Review Team (MRT), awaiting a decision. The hearing packet also provides a notice of case action that notifies Claimant that her MA application was denied effective August 1, 2012.

The Department was not represented at the hearing despite multiple efforts to find a Department representative to present the Department's position.

This Administrative Law Judge finds that the Department's "Hearing Summary" conflicts with the evidence contained in the Department's evidence folder.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department failed to carry its burden of proving that Claimant's application had been properly registered and processed. BAM 110 (May 2012). Therefore, the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
