

STATE OF MICHIGAN
MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No.: 2013-31540
Issue No.: 1038
Case No.: [REDACTED]
Hearing Date: March 26, 2013
County: Wayne-55 County DHS

ADMINISTRATIVE LAW JUDGE: Corey A. Arendt

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on March 26, 2013, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED] [REDACTED] and [REDACTED] [REDACTED].

ISSUE

Did the Department properly terminate and sanction the Claimant's Family Independence Program (FIP) benefits for noncompliance with PATH?

FINDINGS OF FACT

I find as material fact, based upon the competent, material and substantial evidence on the whole record:

1. On January 23, 2013, the Claimant signed a re-engagement letter with PATH.
2. Between January 23, 2013 and February 7, 2013, the Claimant failed to turn in completed job logs and proof of employment documentation.
3. On February 7, 2013, PATH submitted the Claimant for triage.
4. On February 8, 2013, the Department sent the Claimant a notice of noncompliance and a notice of case action. The notice of noncompliance indicated the Claimant had a triage scheduled for February 14, 2013 at 1:30 pm. The notice of case action indicated the Claimant's FIP case was closing March 1, 2013.
5. On February 14, 2013, a triage took place in the absence of the Claimant. The Department determined the Claimant did not have good cause for

failing to turn in completed job logs and proof of employment documentation.

6. On February 20, 2013, the Claimant requested a hearing.

CONCLUSIONS OF LAW

The FIP was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

A Work Eligible Individual (WEI), see BEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

- As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the "Participation and Compliance" tab.

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.

- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

Testimony and other evidence must be weighed and considered according to its reasonableness.¹ Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine.² In evaluating the credibility and weight to be given the testimony of a witness, the fact-finder may consider the demeanor of the witness, the reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter.³

I have carefully considered and weighed the testimony and other evidence in the record and find the Department's witness to be more credible than the Claimant as the Department witnesses had a clearer grasp of the dates, times and events in question.

In this case, the Claimant failed to turn in fully completed job logs and failed to turn in verification of employment as requested. The Claimant did not provide a good cause reason as to why these activities were not completed.

Furthermore, the Claimant indicated she did not participate in the triage because she did not receive the notice for the triage until after the triage had already taken place. The postmark on the envelope that allegedly belonged to the notice of noncompliance was postmarked two days prior to the triage date. Therefore, I find it highly unlikely that the Claimant received the notice after the triage.

Accordingly, I find, based on the competent, material, and substantial evidence presented during the hearing, the Department acted in accordance with policy in closing and sanctioning the Claimant's FIP case.

Accordingly, I **AFFIRM** the Department's actions in this matter.

DECISION AND ORDER

I find, based upon the above findings of fact and conclusions of law, decide that:

1. The Department properly closed and sanctioned the Claimant's FIP benefits for noncompliance with PATH requirements.

Accordingly, the Department's actions are **AFFIRMED**.
