County: Wayne County (#31)

**ADMINISTRATIVE LAW JUDGE: MICHELLE HOWIE**

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Claimant's request for a hearing received by the Department of Human Services (Department) on February 15, 2013. After due notice, a telephone hearing was conducted from Detroit, Michigan on Thursday April 4, 2013. The Claimant appeared along with two witnesses, [REDACTED] (Mother) and [REDACTED] (Brother). Participant on behalf of the Department was [REDACTED].

**ISSUE**

Whether the Department properly determined that the Claimant has exceeded the Federal 60 month lifetime limit on Family Independence Program (FIP) benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing FIP recipient.
2. The Department determined that the Claimant reached the 60 month lifetime maximum on the receipt of federally-funded FIP assistance. (Exhibit 2)
3. On February 10, 2013, the Department sent the Claimant Notice of Case Action notifying her that her FIP benefits would close effective March 1, 2013, due to reaching 60 months of federally -funded FIP assistance as of June 1, 2012.
5. On February 20, 2013, the Department received the Claimant's written request for hearing, disputing the Department's action.

## CONCLUSIONS OF LAW

The Department of Human Service (DHS) policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT). Clients have the right to contest a Department decision affecting eligibility for benefit levels whenever it is believed that the decision is incorrect. The Department Bridges Administrative Manual (BAM) 600 (February 1, 2013). The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600. The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code (Mich Admin Code), R 400.901-400.951.

The Family Independence Program (FIP) is temporary cash assistance to support a family's movement to self sufficiency. It was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and Mich Admin Code, R 400.3101 through R 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The FIP benefit program is not an entitlement. BEM 234 (January 1, 2013). Time limits are essential to establishing the temporary nature of aid as well as communicating the FIP philosophy to support a family's movement to self-sufficiency. BEM 234. Michigan operates the FIP Program by using both federal and state funds. The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) established a five-year (60-month) lifetime limit on assistance for adult-headed families. The begin date for the federal time limit counter is October 1, 1996. Each month an individual receives FIP, regardless of the funding source (federal or state), the individual receives a count of one month. A family is no longer eligible for FIP when a mandatory group member in the program group received 60 months or more of federally funded FIP assistance. Notwithstanding, the FIP time-limit is 48 months for the receipt of state funded benefits. Once an individual reaches a FIP time-limit whether state or federal the FIP closes, the individual is not eligible for FIP if the individual reapplies and meets an exemption criteria based on the funding source. BEM 234.

Effective January 9, 2013, the federal 60 month time-limit policy does not apply to individuals who were deferred from the work participation program for either of the following: (i) domestic violence; (ii) being 65 years of age or older; (iii) a verified disability of long-term incapacity lasting longer than 90 days; or (iv) provides care for a spouse or child with verified disabilities living in the home. BEM 234. The benefits received will be stated funded until the 48 month state time-limit maximum is reached. BEM 234.

In this case, the Department performed a mass update as the result of the outcome of a lawsuit involving the federal and state time-limit laws for FIP assistance. The courts upheld the laws finding them not to be unconstitutional. The Department pended the Claimant's and other clients FIP cases for closure effective March 1, 2013, due to allegedly exceeding the 60 month time limit for federally funded FIP benefits. Claimant testified that she disputes the Department's action because her case has been mixed up with her twin sister's (Monique Martin) over the years. They reside in the same home and have numerous kids between them. Her case has closed and been sanctioned for reasons that were attributable to her sister. She asserts that she has not reached the federal limit on FIP assistance and feels the Department has improperly counted months against her.

Notably, the evidence presented for Hearing by the Department (i.e. Federal time-limit summary information) to support its action pertained to the Claimant's sister. (see Exhibit 1). The summary documentation showed the Claimant's sister had accumulated 117 months of federally funded FIP benefits as of March 2011. This notable mistake indicates that it is not unlikely that the Department may have mixed up the countable months for Claimant and her sister, as asserted by the Claimant. In addition, the Department representative was instructed to fax to the Hearing Office the federal time-limit summary for the Claimant. As of the date of this decision, the Department has yet to submit the requested documentation. The Department has not presented sufficient credible testimony and documentary evidence to establish that the Claimant received at least 60 months of federally funded assistance.

Accordingly, the Department's action is not upheld.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department established it acted in accordance with policy when it closed Claimant's FIP benefits effective March 1, 2013 for reaching the 60 month lifetime limit for federal funded FIP assistance as of June 1, 2012.

Accordingly, the Department's FIP eligibility determination is hereby, **REVERSED**.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. The Department shall reinstate the Claimant's FIP benefits from the proposed date of closure March 1, 2013 and supplement for lost FIP benefits (if any) that the Claimant was otherwise eligible and qualified to receive in accordance with Department policy.

2. The Department shall review the Claimant's case to determine whether all the months counted were applicable to her, in accordance with policy.
3. The Department shall notify the Claimant of the FIP time-limit determination after the case review, in accordance with Department policy.
