CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and Mich Admin Code, R 400.3101 through R 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and Mich Admin Code, R 400.3001 through R 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and Mich Admin Code, R 400.3151 through R 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001 through R 400.5015.

Direct Support Services (DSS) is administered by the Department pursuant to MCL 400.57a, et. seq., and Mich Admin Code R 400.3603.

Additionally, the Department sent Claimant a September 8, 2012 Notice of Case Action closing Claimant's FAP case effective October 1, 2012 for failure to verify requested information. On September 14, 2012, Claimant filed a request for hearing disputing the Department's action.

At the hearing, the Department explained that, after Claimant's Request for Hearing was filed, Claimant's FAP case was reviewed and reinstated. The Department testified that it sent Claimant another Notice of Case Action on October 17, 2012, notifying him that his case was reinstated as of October 1, 2012, and that he would receive ongoing FAP benefits for October 1, 2012 to February 28, 2014, in the amount of \$111 (the same amount he had previously received). Claimant confirmed the terms of the Notice and that he had received benefits for October 1, 2012, ongoing. At the hearing, Claimant expressed concerns because he could not get a Department worker to respond to his calls and because the front desk had advised him that he did not need to submit requested verifications. However, because the Department had reinstated Claimant's FAP benefits to the same level he had received prior to his case closure and Claimant had not received a lapse in benefits, the Department resolved the issue that resulted in Claimant's September 14, 2012 hearing request. Thus, Claimant was no longer an aggrieved party as of the hearing date. See Mich Admin Code R 400.903(1); BAM 600 (October 1, 2012), p 1.

At the hearing, Claimant further stated that he had concerns regarding the amount of his benefits. Because Claimant's hearing request was filed in connection with the pending closure of his case, the issue of the amount of benefits was not relevant at that time and the Department had not prepared its case to address Claimant's benefit amount. Claimant was advised that he could request another hearing concerning his FAP allotment.

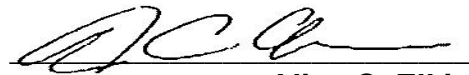

Claimant also asked about his eligibility for other food assistance programs. A review of Department policy shows that FAP benefits are available under the Michigan Combined Application Project (MiCAP) program to certain individuals who receive Supplemental Security Income (SSI). BEM 618 (March 1, 2012), p 1. The Department's local office may refer an individual to the MiCAP unit, which administers the program and determines final eligibility. BEM 618, pp 1-3. Claimant may discuss his eligibility for FAP benefits under the MiCAP program with the Department.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department acted properly with respect to Claimant's FAP case.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC DSS decision is AFFIRMED REVERSED for the reasons stated on the record.
