**ADMINISTRATIVE LAW JUDGE:** Landis Y. Lain

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on May 30, 2013. Claimant personally appeared and testified. The department was represented by Eligibility Specialist [REDACTED] [REDACTED].

- (1) Claimant was a CDC and FAP benefit recipient.
- (2) On March 19, 2013, a redetermination packet was mailed to claimant by with information due March 29, 2013.
- (3) On April 8, 2013, the verification information packet had not been received by the department.
- (4) On April 8 2013, the department caseworker sent claimant notice that her CDC and FAP benefits would be closed effective October 19, 2011, because the determination packet was not timely returned.
- (5) On April 22, 2013, claimant filed a request for a hearing to contest the department's negative action.

### **VERIFICATION AND COLLATERAL CONTACTS**

### **DEPARTMENT POLICY**

## All Programs

**Verification** means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- required by policy. BEM items specify which factors and under what circumstances verification is required.
- required as a local office option. The requirement **must** be applied the same for every client. Local requirements may **not** be imposed for MA, TMA-Plus or AMP without prior approval from central office.
- information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party. BAM, Item 130, p. 1.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. BAM, Item 130, p. 1.

Verification is **not** required:

- when the client is clearly ineligible, or
- for excluded income and assets **unless** needed to establish the exclusion. BAM, Item 130, p. 1.

## Obtaining Verification

### All Programs

Tell the client what verification is required, how to obtain it, and the due date (see “**Timeliness Standards**” in this item). Use the DHS-3503, Verification Check list, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. BAM, Item 130, p. 2.

The client must obtain required verification, but you must assist if they need and request help. BAM, Item 130, p. 2.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If no evidence is available, use your best judgment.

*Exception:* Alien information, blindness, disability, incapacity, inability to declare one's residence and, for FIP only, pregnancy must be verified. Citizenship and identity must be verified for clients claiming U.S. citizenship for applicants and recipients of FIP, SDA and MA. BAM, Item 130, p. 3.

### **Timeliness Standards**

#### **All Programs (except TMAP)**

Allow the client 10 calendar days (or other time limit specified in policy) to provide the verification you request. If the client cannot provide the verification despite a reasonable effort, extend the time limit at least once. BAM, Item 130, p. 4.

In the instance case, claimant failed to provide verification information by March 29, 2013. The department caseworker testified that she left the case open until April 8, 2013 to allow claimant to provide the information but the income verifications were not provided until claimant reapplied for benefits on April 11, 2013. Claimant testified on the record that she did return the verification information; however, the department had no record of the return of the information. Therefore, based upon the information contained in the file, this Administrative Law Judge finds that the department has established by the necessary competent, material of substantial evidence on the record that it was acting in compliance with department policy when it determined that claimant failed to provide the application information for redetermination purposes in a timely manner. There is no evidence on the record that claimant requested an extension of time to return the verification information and there is no record that claimant returned the application information before the March 29, 2013 deadline. The department's decision must be upheld.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department has appropriately established on the record that it was acting in compliance with department policy when it proposed to cancel claimant's Child Development and Care Services and Food Assistance Program benefits based upon this determination that claimant failed to provide the application information for the redetermination in a timely manner.

Accordingly, the department's decision is **AFFIRMED**.
