## CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the overissuance (OI). BAM 700 (2013).

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720 (2013).

The Department's OIG requests IPV hearings for cases when:

- benefit overissuances are not forwarded to the prosecutor,
- prosecution of welfare fraud is declined by the prosecutor for a reason other than lack of evidence, and
- the total overissuance amount is \$1000 or more, or
- the total overissuance amount is less than \$1000, and
  - the group has a previous intentional program violation, or
  - the alleged IPV involves FAP trafficking, or
  - the alleged fraud involves concurrent receipt of assistance, or
  - the alleged fraud is committed by a state/government employee.

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving certain program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. *Id.*

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (2009). Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

Additionally, the first requirement of IPV is that there must be an intentional failure to report information for the purposes of obtaining unlawful benefits. *Id.* The Department submitted Respondent's Redetermination form, signed by Respondent on or about February 13, 2012, at the hearing. Department Exhibit 1, pp. 1-4. This document

shows that Respondent was still living at the [REDACTED] at that time. However, the Department also submitted a FAP purchase record for Respondent which shows that from September 30, 2011-May 22, 2012, he made FAP purchases exclusively in California and not in Michigan. This creates an inconsistency as to where Respondent actually lived on February 13, 2012, whether he was truthful about his address on the Redetermination, and whether he intentionally failed to disclose his California address for the purpose of obtaining unlawful benefits.

Respondent did not appear at the hearing and findings of fact must be made in his absence. The Department asserts that these documents demonstrate an intentional failure to disclose information for the purpose of obtaining unlawful benefits. This is found and determined to be a logical explanation in the absence of any other evidence to the contrary. Accordingly it is found and determined that the Department has proved by clear and convincing evidence that the act of IPV has occurred in this case.

Second, the Department must prove that it clearly and correctly instructed Respondent as to his duty to provide information. Page 3 of the Redetermination requests changes of address and also asks for shelter expenses at the new address. Respondent left this section blank. Then, on page 4, the Department asked Respondent to certify that all information in the Redetermination was true, and to sign under penalty of perjury. Respondent certified that the Redetermination was true and complete, and signed it. *Id.*, pp. 3-4.

It is found and determined that Respondent's signature on the Redetermination establishes by clear and convincing evidence that the Department clearly and correctly instructed Respondent as to his responsibility to report true and complete information. The Department has established the second IPV element in this case.

Turning last to the third IPV element, this is a requirement that there be no physical or mental impediment of Respondent that would prevent him from fulfilling his reporting responsibilities. BAM 720. Having reviewed the testimony and documentation in this case in its entirety, it is found and determined that Respondent has no physical or mental impairment that would prevent him from fulfilling his reporting responsibilities. There are no physical or mental impediments asserted by Respondent in this case.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. Respondent  did  did not commit an IPV.
2. Respondent  did  did not receive an OI of program benefits in the amount of \$849 from the following program(s)  FIP  FAP  SDA  CDC  MA.

The Department is ORDERED to initiate recoupment procedures for the amount of \$849 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from

FIP  FAP  SDA  CDC for a period of
