### **CONCLUSIONS OF LAW**

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The FAP [formerly known as the Food Stamp (F S) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The MA program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Clients have the right to contest a Department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. (BAM 600).

Department policy indicates that clients must cooperate with the local office in determining initial and ongoing eligibility with all programs. (BAM 105). This includes completion of the necessary forms. Clients who are able to but refuse to provide necessary information or take a required action are subject to penalties. (BAM 105).

Testimony and other evidence must be weighed and considered according to its reasonableness.<sup>1</sup> Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine.<sup>2</sup> In evaluating the credibility and weight to be given the testimony of a witness, the fact-finder may consider the demeanor of the witness, the

reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter.<sup>3</sup>

I have carefully considered and weighed the testimony and other evidence in the record and find the Claimant never returned all the requested verifications as requested and required by the due date of May 13, 2013. The Claimant alleges to have submitted the requested documentation but lacks any evidence outside of the self-serving testimony.

Therefore, based on material, competent and substantial evidence, I find the Department properly closed the Claimant's FAP case and denied the Claimant's MA application for failing to return the requested verifications in a timely manner.

### **DECISION AND ORDER**

I find based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Department did act properly.

Accordingly, the Department's decision is **AFFIRMED**.
