CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA

program pursuant to MCL 400.10, *et seq.*, and 2000 AACCS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, at the hearing the claimant testified that she had been attending Work First and her mother testified that she had been taking her daughter to Work First. This evidence contrasts with the lack of any documentation from Work First that the claimant had been attending. The claimant further testified that she was now in compliance with the OCS and the Department opened the claimant's FAP when it received verification of that compliance from OCS.

WORK REQUIREMENTS

Non-deferred adult members of FAP households must comply with certain work-related requirements in order to receive food assistance. However, unlike cash benefits, which are tied to participation in the work participation program, there are no hourly work participation requirements for the Food Assistance Program. In order to receive FAP benefits, non-deferred adults must comply with the following work requirements: (BEM 230B, pp. 1-2; September 16, 2012).

FIP, CDC Income Eligible, MA and FAP

The custodial parent or alternative caretaker of children must comply with all requests for action or information needed to establish paternity and/or obtain child support on behalf of children for whom they receive assistance, unless a claim of good cause for not cooperating has been granted or is pending. (BEM 255, p.1; September 16, 2012).

In other words there are work requirements for FIP, and noncompliance without good cause will cause negative action by the Department. Custodial parents are required to cooperate with the OCS in helping the Department locate the absent parent in order to receive FIP, FAP and MA.

The Department did open an MA case for the claimant's minor child.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.
