CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An oppor tunity for a hearing shall be granted to an ap plicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting elig ibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

The Food Assistanc e Program (FAP) (formerly known as the Food Stamp (FS) program) is establis hed by the Food St amp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, et seq., and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Categorically eligible groups automatically meet asset, gross and 100% net income limits for Food Assist ance Program benefits. Categorical el igibility applies to groups, not individuals. Group composition must be determined prior to determining categorical eligibility. FAP group s are categorically eligible bas ed on enhanced authorization for domestic violence prevention services. All other applicants/recipients are authorized for this service. Only households with gross income addable at 200% of the poverty level receive additional aut horization. PEM, Item 213. In the instant case, claimant is categorically eligible for Food Assistance Program benefits bas ed up on his receipt of RSDI income. PEM, Item 213. PEM, Item 550, p. 1., indicates that the department is to only use available countable inc ome to determine eligibility. PEM, Item 500, define s countable income. PEM, Item 505, defines availa ble inc ome and inc ome change processing. PEM, Item 550, des cribes income budgeting policy (PEM, Item 550, p. 1). The depar tment is required to budget t he entire a mount of earned and unearned countable income. Every case is allowed a standard deduction shown in PRT 255. The department is to always calculate incom e on a calendar month bas is to determine eligibility and benefit months. The department is to use inc ome from the months specified in this item for the benefit month being considered. PEM, Item 550. In the instant case, the claimant receives \$ per month in RSDI inc ome, effective January 1, 2013. Claimant received a \$ standard unearned income deduction. He has no medical deduction s ince the State of Michigan pays his Medicare Premium. His adjusted gross monthly income is \$ claimant was given an excess shelter in in come - \$ in exces s s helter income = \$ deduction of \$ \$ monthly income. The program reference table es indicate that a one perso in FAP group is entitled to \$ per motnt in FAP benefits. The with a net monthly income of \$ department correctly determined that claimant's FAP benefits should be reduced under the circumstances.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusion sof law, decides that the department has established by the necessary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it determined that claimant's FAP benefits should be reduced.

Accordingly, the Department's decision **AFFIRMED**.
