CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACCS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720.

The Department's OIG requests IPV hearings for cases when:

- benefit overissuances are not forwarded to the prosecutor,
- prosecution of welfare fraud is declined by the prosecutor for a reason other than lack of evidence, and
- the total overissuance amount is \$ [REDACTED] or more, or
- the total overissuance amount is less than \$ [REDACTED] and
 - the group has a previous intentional program violation, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance,
 - the alleged fraud is committed by a state/government employee.

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving certain program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the overissuance relates to MA. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

In this case, Respondent credible testified that she stopped working on 6/1/11. Respondent credible testified that she timely reported this information to the Department. No one from the Department was present at the administrative hearing for testimony and/or cross examination. Thus, the Department has not established an IPV by clear and convincing evidence.

Nor has the Department established and overissuance by preponderance of evidence.

The Department is reversed.

It is noted that the OIG testified that the OIG does not file debt collection requests; such request are filed by the local office recoupment specialist.

DECISION AND ORDER

The Administrative Law Judge, based upon the above clear and convincing evidence, Findings of Facts, Conclusions of Law and for the reasons stated on the record, concludes that:

1. Respondent did did not commit an IPV.
2. Respondent did did not receive an OI of program benefits in the amount of \$ [REDACTED] from the following program(s) FIP FAP SDA CDC MA.

The Department is ORDERED to delete the OI and cease any recoupment action.
