

STATE OF MICHIGAN  
MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

**IN THE MATTER OF:**

Reg. No: 2013-21137  
Issue No: 2009;4031  
Hearing Date: April 3, 2013  
Livingston County DHS

**ADMINISTRATIVE LAW JUDGE:** Landis Y. Lain

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing to protest the denial of claimant's application for MA. After due notice, a telephone hearing was held on April 3, 2013. Claimant personally appeared and testified. Claimant's mother, [REDACTED] [REDACTED] also appeared and testified on claimant's behalf. The department was represented at the hearing by Assistant Payment Supervisor, [REDACTED] [REDACTED]

**ISSUE**

Whether claimant meets the disability criteria for Medical Assistance (MA-P) and State Disability Assistance (SDA)?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On October 10, 2012, claimant filed an application for Medical Assistance, Retroactive Medical Assistance and State Disability Assistance benefits alleging disability.
2. On December 20, 2012, the Medical Review Team denied claimant's application stating that claimant's impairments were non-exertional.
3. On December 27, 2012, the department caseworker sent claimant notice that his application was denied.
4. On January 7, 2013, claimant filed a request for a hearing to contest the department's negative action.
5. On January 22, 2013, the State Hearing Review Team again denied claimant's application stating in its analysis and recommendation: claimant has a history of depression and learning difficulties. His mental status

exam indicated mild to moderate limitation. However, he retains the capacity to perform unskilled work. The claimant is not currently engaging in substantial gainful activity based on the information that is available in file. The claimant's impairments do not meet/equal the intent or severity of a Social Security listing. The medical evidence of record indicates that the claimant retains the capacity to perform a wide range of unskilled work. A finding about the capacity for prior work has not been made. However, this information is not material because all potentially applicable medical-vocational guidelines would direct a finding of not disabled given the claimant's age, education and residual functional capacity. Therefore, based on the claimant's vocational profile, MA-P is denied using Vocational Rule 204.00 as a guide. Retroactive MA-P was considered in this case and is also denied. SDA is denied per PEM 261 because the nature and severity of the claimant's impairments would not preclude work activity at the above stated level for 90 days.

6. The hearing was held on April 3, 2013. At the hearing, claimant waived the time periods and requested to submit additional medical information.
7. Additional medical information was submitted and sent to the State Hearing Review Team on April 12, 2013.
8. On June 25, 2013, the State Hearing Review Team approved claimant stating in its recommended decision: the claimant was approved for Social Security Disability benefits on October 17, 2012. Therefore, MA-P/Retro MA-P is approved effective July 1, 2012. SDA is approved per PEM 261. At the medical review of June, 2014 request medical records from the last 6 months.

### **CONCLUSIONS OF LAW**

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the SHRT determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability, per BAM, Item 600.

Because of the Social Security Administration determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability. PEM, Item 260.

Ongoing MA eligibility begins the first day of the month of SSI entitlement. BEM, Item 150, page 1.

The department is required to initiate a determination of claimant's financial eligibility for the requested benefits, if not previously done.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant meets the definition of medically disabled under the Medical Assistance Program and the State Disability Assistance Program as of the October 10, 2012 application date.

Accordingly, the department is **ORDERED** to initiate a review of the application if it is not already done so, to determine if all other non-medical eligibility criteria are met. The department shall inform the claimant of the determination in writing.

Accordingly, if it has not already done so, the department is **ORDERED** to open an ongoing Medical Assistance case for the claimant effective the month of the SSI entitlement.

A medical review should be scheduled for June, 2014. The department should check to see if claimant is in current payment status or not. If the claimant is in current payment status at the medical review no further action will be necessary. However, if the claimant is not in current payment status at the medical review, the department is to obtain updated application forms (DHS49) and obtain updated medical records.

It is ORDERED that the department shall review this case in one year from the date of this Decision and Order.
