MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 201321854
Issue No: 1038
Case No: [REDACTED]
Hearing Date: April 16, 2013
County: Macomb (12)

ADMINISTRATIVE LAW JUDGE: C. Adam Purnell

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing received on December 20, 2012. After due notice, a telephone hearing was held on April 16, 2013. Claimant personally appeared and provided testimony. Participants on behalf of Department of Human Services (Department) included [REDACTED] (PATH Liaison from Michigan Works) and [REDACTED] (PATH Case Manager).

ISSUE

Whether the Department properly terminated and sanctioned Claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant was a FIP recipient and a mandatory WF/JET participant.
2. Claimant, as part of her required participation in the WF/JET program, agreed to attend all required assignments including community service.
3. On December 12, 2012, the Department mailed Claimant a Notice of Noncompliance (DHS-2444) because she failed to participate as required in employment and/or self-sufficiency related activities. Claimant's Triage appointment was scheduled for December 20, 2012 at 9:00a.m.
4. On December 20, 2012, Claimant attended Triage and indicated that she had a medical condition which prevented her participation. The

Department found Claimant did not show good cause for her noncompliance.

5. The Department mailed Claimant a Notice of Case Action (DHS-1605) on December 12, 2012, which closed Claimant's FIP benefits for 3 months effective January 1, 2013.
6. Claimant submitted a hearing request on December 20, 2012 protesting the closure of her FIP benefits.
7. This is Claimant's first non-compliance with the WF/JET program.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Federal and State laws require each work eligible individual (WEI) in the FIP and Refugee Assistance Program (RAP) group to participate in the JET Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. BEM 230A. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. BEM 230A. WEIs not referred to the work participation program will participate in other activities to overcome barriers so they may eventually be referred to the work participation program or other employment service provider. BEM 230A. A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A.

The work participation program is administered by the Workforce Development Agency, State of Michigan (WDASOM) through the Michigan one-stop service centers. BEM

230A. The work participation program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. BEM 230A.

A number of FIP clients have disabilities or live with a spouse or child(ren) with disabilities that may need accommodations to participate in assigned activities. The needs of persons with disabilities are highly individual and must be considered on a case-by-case basis. DHS must make reasonable efforts to ensure that persons with disability-related needs or limitations will have an effective and meaningful opportunity to benefit from DHS programs and services to the same extent as persons without disabilities. Efforts to accommodate persons with disabilities may include modifications to program requirements, or extra help, as explained below. Failure to recognize and accommodate disabilities undermines efforts to assist families in achieving self-sufficiency. BEM 230A.

A disability that requires reasonable accommodation must be verified by an appropriate source, such as a doctor, psychologist, therapist, educator, etc. A client may disclose a disability at any time. Failure to disclose at an earlier time does not prevent the client from claiming a disability or requesting an accommodation in the future. BEM 230A.

Clients are required to engage in self-sufficiency and family strengthening activities even if they are deferred from work participation program or work activities and may be subject to penalties if they do not participate as required. BEM 230A. Modifications or extra help may include, but are not limited to, the following: (1) reduced hours of required participation; (2) extended education allowances including more than 12 months allowed for vocational education; or (3) extended job search/job readiness time limit. BEM 230A.

When clients with verified disabilities are fully participating to their capability, they are counted as fully engaged in meeting work participation requirements regardless of the hours in which they are engaged, even if they do not meet federal work requirements. BEM 230A.

If the WEI refuses or fails to provide verification of a deferral when required, the Department may refer him/her to the work participation program. BEM 30A.

A person with short-term incapacity may be deferred for up to 3 (three) months. BEM 230A. A person with a short-term incapacity is a person with a mental or physical illness, limitation, or incapacity expected to last less than 3 (three) months which prevents participation. BEM 230A. The Department will verify the short-term incapacity and the length of the incapacity using a DHS-54A, Medical Needs, or DHS-54E, Medical Needs - Work Participation Program, or other written statement from an M.D./D.O. BEM 230A. Then, the Department shall set the medical review date accordingly, but not to exceed three months. BEM 230A. BEM 230A. specifically prohibits the Department from advising with a short-term incapacity to apply for SSI. BEM 230A.

When the Medical Review Team (MRT) decision and information is received, the Department must determine what accommodations the client needs to participate in the work participation program. BEM 230A. The person must pursue employment and/or self-sufficiency-related activities and the Department must follow the procedure for accommodating disabilities. BEM 230A.

The Department must serve individuals who are determined work ready or work ready with limitations by the Medical Review Team when the individual cannot be served by the work participation program. BEM 230A. These clients have a mandatory participation status in Bridges. BEM 230A. The Department must assign self-sufficiency activities up to the medically permissible limit of the individual. BEM 230A. The Department should ask the work participation program to provide any test results or other documentation about the client's limitations at the time the client is referred back to DHS. BEM 230A.

When a client is determined by MRT to be work ready with limitations becomes noncompliant with the work participation program or his/her assigned activities, the Department shall follow the same instructions outlined in BEM 233A with regard to noncompliance.

A FIP applicant, recipient or a member add is noncompliant if he or she, without good cause, fails or refuses to do any of the following: (1) appear and participate with the JET Program or other employment service provider; (2) complete a Family Automated Screening Tool (FAST), as assigned as the first step in the Family Self-Sufficiency Plan (FSSP) process; (3) develop a FSSP or a Personal Responsibility Plan and Family Contract (PRPFC); (4) comply with activities assigned to on the FSSP; (5) provide legitimate documentation of work participation; (6) appear for a scheduled appointment or meeting related to assigned activities; (7) participate in employment and/or self-sufficiency-related activities; (8) accept a job referral; (9) complete a job application; (10) appear for a job interview.¹ BEM 233A.

Noncompliance for FIP purposes also can be found if an applicant, recipient or a member add, without good cause, does any of the following: (1) states orally or in writing a definite intent not to comply with program requirements; (2) threatens, physically abuses or otherwise behaves disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity; or (3) refuses employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A.

JET-FIP participants will not be terminated from a JET program without first scheduling a "triage" meeting with the client to jointly discuss noncompliance and good cause. BEM

¹ The Department will not apply the three month, six month or lifetime penalty to ineligible caretakers, clients deferred for lack of child care and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time. BEM 233A.

233A. The department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines. BEM 233A.

FIP clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. BEM 233A. If a client calls to reschedule an already scheduled triage meeting, the client is offered a telephone conference at that time. BEM 233A. Clients must comply with triage requirement within the negative action period. BEM 233A.

For FIP, the department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause for FIP purposes is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A. Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP closure. BEM 233A. Depending on the case situation, penalties include the following: (1) delay in eligibility at application; (2) ineligibility (denial or termination of FIP with no minimum penalty period); (3) case closure for a minimum of three months for the first episode of noncompliance, six months for the second episode of noncompliance and lifetime closure for the third episode of noncompliance. BEM 233A.

Here, there is no dispute that Claimant failed to attend the community service program (CSP) on December 5, 2012. The main question is whether Claimant had good cause for her failure to complete the community service program on that date. Claimant contends that she suffers from chronic knee and back pain secondary to fibromyalgia which prevents her participation in the CSP. Claimant provided some medical information that was previously provided to the MRT. The record reveals a Medical Needs-JET form (DHS-54-E) which indicates that Claimant can work with limitations of less than 8 lbs. Claimant also provided a document from University of Phoenix entitled, "Student Disability Information/Verification" which indicated Claimant needs to be able to sit or stand as needed to attend classes. According to the MIS notes, Claimant called CSP on December 5, 2012 and indicated that she could start when she felt better. During the hearing, Claimant stated that she had an email saved on her phone which

proved her caseworker told her that she could return to CSP “when she felt better.” Claimant found an email from her caseworker, but this email did not corroborate her statements. Claimant also contends that she was permitted to use job search to replace CSP. According to the Department, Claimant had reached her weekly limit for job search and that she was required to attend CSP.

Testimony and other evidence must be weighed and considered according to its reasonableness. *Gardiner v Courtright*, 165 Mich 54, 62; 130 NW 322 (1911); *Dep't of Community Health v Risch*, 274 Mich App 365, 372; 733 NW2d 403 (2007). The weight and credibility of this evidence is generally for the fact-finder to determine. *Dep't of Community Health*, 274 Mich App at 372; *People v Terry*, 224 Mich App 447, 452; 569 NW2d 641 (1997). Moreover, it is for the fact-finder to gauge the demeanor and veracity of the witnesses who appear before him, as best he is able. See, e.g., *Caldwell v Fox*, 394 Mich 401, 407; 231 NW2d 46 (1975); *Zeeland Farm Services, Inc v JBL Enterprises, Inc*, 219 Mich App 190, 195; 555 NW2d 733 (1996).

The Administrative Law Judge finds that Claimant’s version of events is not credible. In addition, the DHS-54-E clearly indicates that Claimant was required to participate in CSP with limitations. The MRT already found that Claimant was work ready with limitations. According to BEM 233A, when a client is determined by MRT to be work ready with limitations becomes noncompliant with the work participation program or his/her assigned activities, the Department shall follow the same instructions outlined in BEM 233A with regard to noncompliance. Claimant was required to show up at CSP and to work with her CSP site to discuss what accommodations or modifications she needed. Instead, Claimant simply failed to show up. Claimant failed to participate in CSP as assigned without good cause.

Accordingly, this Administrative Law Judge finds that, based on the material and substantial evidence presented during the hearing, Claimant has failed to show good cause for failing to attend CSP. As a result of Claimant’s noncompliance without good cause, the Department properly closed Claimant’s FIP case for non-compliance.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department properly closed Claimant's FIP case for noncompliance with WF/JET requirements and the 3 (three) month FIP sanction is **AFFIRMED**.

IT IS SO ORDERED.
