CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconc iliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Ai d to Dependent Children (ADC) program effective October 1, 1996. De partment policies are found in the Bridges Administrative Manual (BAM), the Bridges Elig ibility Manual (BEM), Refe rence Table Manual (RF T), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public as sistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and as sessments will be covered by the JET case manager when a mandatory JET participant is referred at application. Department of Human Services Bridges Eligibility Manual (BEM) 229 (December 1, 2011).

Federal and State laws require each work eligib le individual (WEI) in the FIP and RAP group to participate in the Jobs, Educati on and T raining (JET) Program or other employment-related activities unless temporar ily deferred or engaged in activities that meet participation requirements. These c lients must participate in employment and/or self-sufficiency-related activities to in crease their employabi lity and obtain stab le employment. JET is a program administer ed by the Michigan Department of Labor and Economic Growth (D LEG) through the Mi chigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skille d workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in as signed employment and/or self-sufficiency-related activities is subject to penalties. Department of Human Services Bridge s Eligibility Manual (BEM) 230A (December 1, 2011).

Noncompliance of applic ants, recipients, or member adds means doing any of the following without good cause:

Failing or refusing to:

- Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
- Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
- Develop a Family Se If-Sufficiency Plan (F SSP) or a Personal Respons ibility Plan and Family Contract (PRPFC).
- Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting related to assigned activities.
- Participate in employment and/or self-sufficiencyrelated activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behav ing disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or s elfsufficiency-related ac tivity. Department of Human Services Bridges Elig ibility Manual (BEM) 23 3A (October 1, 2012).

The Department is required to send a DHS -2444, Notice of Employment and/or Self Sufficiency Related Noncompliance within three days after learnin g of the noncompliance which must in clude the date of noncompliance, the reason the client

was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause is a valid reason for nonc ompliance wit h employ ment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant per son. A claim of good c ause must be verified and doc umented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

Good cause should be determined based on the besit information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or ident ified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncomplianc e without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

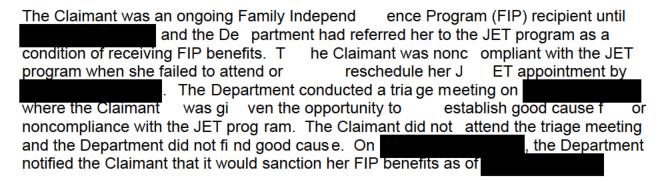

- For the first occurrence on the FIP case, close the FIP for not less than 3 calendar mont hs unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- For the second occur rence on the FIP case, close the FIP for not less than 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous num ber of noncompliance penalties. BEM 233A.

Noncompliance, without good c ause, with employment requirements for FIP/RAP m ay affect FAP if both programs were active on t he date of the FIP nonc ompliance. Department of Human Services Bri dges Eligibility Manual (BEM) 233B (October 1, 2012). The FAP group member should be di squalified for noncomplianc e when all the following exist:

- The client was active bot h FIP and FAP on the date of the FIP noncompliance, and
- The client did not comply wit h FIP/RAP employment requirements, and

- The client is s ubject to a penalty on the FIP/RA P program, and
- The client is not deferred from FAP work requirements, and
- The c lient did not have good c ause for the noncompliance. BEM 233B.

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corres ponds with the FIP penalty (e ither three months for the first two noncomplianc es or 12 months for the third and subseq uent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediat ely before the FIP case closed.

The Claimant argued that she was willing to attend the JET program, but did not receive notification to participate. The Claimant testified that she was not given the opportunity to establish good cause at the triage meeting because she did not receive timely notice of the triage meeting.

The proper mailing an d addressing of a letter cr eates a presumption of receipt. That presumption may be rebutted by evidenc e. Stacey v Sankovic h, 19 Mi ch A pp 638 (1969); Good v Detroit Automobile Inter-Insurance Exchange, 67 Mich App 270 (1976). In this case, the Claimant failed to rebut the presumption of receipt and is presumed to have been notified of the requirement to attend the JET program.

A claim of good cause must be verified and doc umented. BEM 233A. In this case, the Claimant did not attend the triage meeting, and the Department considered whether she had good cause without her input. The Claimant failed to present evidence of good cause at the triage meeting and her administrative hearing.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for her noncompliance with the JET program is reasonable. The Department has established that it acted properly

when it sanctioned the Claim ant's FIP benefits for nonc ompliance with the JET program.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusion sof law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with the Jobs, Education, and Training (JET) program.

The Department's FIP sanction is **AFFIRMED**. It is **SO ORDERED**.
