ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 201327898
Issue No: 1038
[REDACTED]
Hearing Date: March 12, 2013
County: Oakland 04

ADMINISTRATIVE LAW JUDGE: C. Adam Purnell

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing received on February 12, 2013. After due notice, a telephone hearing was held on March 12, 2013. Claimant personally appeared and provided testimony. Participants on behalf of Department of Human Services (Department) included [REDACTED] Case Manager).

ISSUE

Whether the Department properly terminated and sanctioned Claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant was a FIP recipient and a mandatory WF/JET participant.
2. Because Claimant asserted a disability, the Department, on November 8, 2012, mailed Claimant a Mental Residual Functional Capacity Assessment (DHS-0049-E) and a Psychiatric/Psychological Examination (DHS-0049-D).
3. Claimant failed to return the DHS-0049-E and DHS-0049-D.
4. On December 28, 2012, the Department mailed Claimant a Work Participation Appointment Notice (DHS-4785), which scheduled her for JET orientation on January 14, 2013 at 8:30a.m. The notice indicated, "This appointment is important. If you fail to attend, your application will be denied."

5. Claimant failed to attend the scheduled JET orientation on January 14, 2013.
6. On January 22, 2013, the Department mailed Claimant a Notice of Noncompliance (DHS-2444) because she failed to participate as required in employment and/or self-sufficiency related activities. Claimant's Triage appointment was scheduled for January 29, 2013 at 1:00p.m. The notice indicated that failure to show good cause could result in loss of benefits.
7. The Department mailed Claimant a Notice of Case Action (DHS-1605) on January 22, 2013, denying Claimant's FIP application because she failed to attend JET and remain in compliance with JET activities before the opening of her FIP case.
8. Claimant submitted a hearing request on February 12, 2013, protesting the closure of her FIP benefits.
9. This is Claimant's first non-compliance with the WF/JET program.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. BEM 229. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client

applies for cash assistance. BEM 229. The Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application for FIP, when a client's reason for deferral ends, or a member add is requested. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and Refugee Assistance Program (RAP) group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. WEIs not referred to the work participation program will participate in other activities to overcome barriers so they may eventually be referred to the work participation program or other employment service provider. BEM 230A.

At application, the registration support staff must provide clients with a DHS-619, Jobs and Self-Sufficiency Survey. BEM 229. The Department is required to do the following: (1) make a preliminary barrier assessment to determine the client's readiness for work participation program referral¹; (2) identify and provide direct support services as needed because child care and transportation barriers are common (DHS is responsible and must assist clients who present with child care or transportation barriers before requiring work participation program attendance; (3) open/edit the Family Self-Sufficiency Plan (FSSP) and enter strength and barrier information identified and addressed during the intake process; (4) temporarily defer an applicant with identified barriers until the barrier is removed; and (5) temporarily defer an applicant who has identified barriers that require further assessment or verification before a decision about a lengthier deferral is made, such as clients with serious medical problems or disabilities or clients caring for a spouse or child with disabilities.²

At application, the Department is required to use the Bridges DHS-1538, Work and Self-Sufficiency Rules, to explain all of the following to clients at FIP application for each episode of assistance: (1) direct support services opportunities, including transportation and child care required to attend orientation; (2) work requirements and reasons why a person may be deferred from the work participation program and work requirements; (3) self-sufficiency requirements; (4) penalties for non-compliance, the triage and hearing processes and good cause; (5) earnings or activity reporting and verification requirements, including the semi-annual reporting requirement for families with earnings; (6) domestic violence; (7) FIP is limited to a 48 month lifetime limit per individual (See BEM 234, FIP Time Limit); and (8) prohibited use of FIP for gambling,

¹ Policy requires the Department to be alert to indicators that the client or family members suffer from undisclosed or undiagnosed disabilities. Some disabilities diminish the individual's ability to recognize or articulate his/her needs or limitations. The Department should temporarily defer clients who need further screening or assessment. BEM 229.

² Clients should not be referred for orientation and the work participation program until it is certain that barriers to participation such as lack of child care or transportation have been removed, possible reasons for deferral have been assessed and considered, and disabilities have been accommodated. BEM 229.

massage parlors, spas, tattoo shops, bail-bond agencies, adult entertainment, cruise ships, other nonessential items or to purchase lottery tickets, alcohol, or tobacco. BEM 229.

At application, the Department is required to ensure the client understands his/her responsibility to participate in employment-related activities including, but not limited to, calling before they are unable to attend a meeting or appointment and before they become noncompliant. The Department shall also coordinate with the client an agreed upon date for attendance at orientation. This will eliminate the need for multiple assignment dates or appointment changes. BEM 229.

The DHS-1538 must be reviewed and signed by all of the following applicants and member adds: (1) adult members; (2) minor parent grantees; (3) deferred and potentially deferred adults; and (4) ineligible grantees. BEM 229. Policy requires the Department file the original signed copy of the DHS-1538, Work and Self-Sufficiency Rules, in the case record and give a photocopy to the client at the in-person interview or mail the client a copy following a phone interview. BEM 229.

The Department's computer system ("Bridges") automatically denies FIP applicants still pending or creates a record of noncompliance when a member is added or client whose deferral is ending when attendance at the work participation program is not entered by the one-stop service center by the 22nd day after the day the work participation program referral is made. Bridges also automatically denies FIP when a client fails to continue to participate while the FIP application is pending. Clients can reapply for FIP at any time after their application is denied for failing to appear or participate with the work participation program. BEM 229.

When assigned, clients must engage in and comply with all work participation program assignments while the FIP application is pending. Work participation program engagement is a condition of FIP eligibility. Failure by a client to participate fully in assigned activities while the FIP application is pending will result in denial of FIP benefits. Bridges automatically denies FIP benefits for noncompliance while the application is pending. BME 229.

The work participation program is administered by the Workforce Development Agency, State of Michigan (WDASOM) through the Michigan one-stop service centers. The work participation program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. BEM 230A. A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A.

An applicant, recipient or a member add is noncompliant if he or she, without good cause, fails or refuses to do any of the following: (1) appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider; (2) complete a Family Automated Screening Tool (FAST), as assigned as the first step in the Family Self-Sufficiency Plan (FSSP) process; (3) develop a FSSP or a Personal

Responsibility Plan and Family Contract (PRPFC); (4) comply with activities assigned to on the FSSP; (5) provide legitimate documentation of work participation; (6) appear for a scheduled appointment or meeting related to assigned activities; (7) participate in employment and/or self-sufficiency-related activities; (8) accept a job referral; (9) complete a job application; (10) appear for a job interview.³ BEM 233A.

Sometime an applicant, recipient or member add will have a disability which affects his or her ability to work or otherwise participate in the WF/JET program. The disability or incapacity can be either short-term or long-term. BEM 233A.

A person with short-term incapacity may be deferred for up to 3 (three) months. BEM 230A. A person with a short-term incapacity is a person with a mental or physical illness, limitation, or incapacity expected to last less than 3 (three) months which prevents participation. BEM 230A. The Department will verify the short-term incapacity and the length of the incapacity using a DHS-54A, Medical Needs, or DHS-54E, Medical Needs - Work Participation Program, or other written statement from an M.D./D.O. BEM 230A. Then, the Department shall set the medical review date accordingly, but not to exceed three months. BEM 230A. BEM 230A. specifically prohibits the Department from advising with a short-term incapacity to apply for SSI. BEM 230A.

A person with long-term incapacity, or disability, may be deferred. BEM 230A. At intake, redetermination or anytime during an ongoing benefit period, when an individual claims to be disabled or indicates an inability to participate in work or the work participation program for more than 90 days because of a mental or physical condition, the client should be deferred. BEM 230A. Conditions include medical problems such as mental or physical injury, illness, impairment or learning disabilities. BEM 230A. This may include those who have applied for RSDI/SSI. BEM 230A.

Determination of a long term disability is a two step process. BEM 230A. The client must fully cooperate with both steps. BEM 230A. Step One: Establishment of Disability. Once a client claims a disability he/she must provide DHS with verification of the disability when requested. BEM 230A. The verification must indicate that the disability will last longer than 90 calendar days. BEM 230A. If the verification is not returned, a disability is not established. BEM 230A. The client will be required to fully participate in the work participation program as a mandatory participant. BEM 230A. Step Two: Defining the Disability. For verified disabilities over 90 days, the specialist must obtain a Medical Review Team (MRT) decision by completing the medical packet. BEM 230A. The client must provide DHS with the required documentation such as the DHS-49 series, medical and/or educational documentation needed to define the disability. BEM 230A. If the client does not provide the requested verifications, the case should be placed into closure for failure to provide needed documentation; see BAM 815, Medical

³ The Department will not apply the three month, six month or lifetime penalty to ineligible caretakers, clients deferred for lack of child care and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time. BEM 233A.

Determination and Obtaining Medical Evidence. BEM 230A. Potentially disabled individuals are not sent to the work participation program while waiting for the verification of disability. BEM 230A.

When the Medical Review Team (MRT) decision and information is received, the Department must determine what accommodations, if any, the client needs to participate in the work participation program. BEM 230A. The person must pursue employment and/or self sufficiency-related activities and the Department must follow the procedure for accommodating disabilities. BEM 230A.

The Department must serve individuals who are determined work ready or work ready with limitations by the MRT when the individual cannot be served by the work participation program. BEM 230A. These clients have a mandatory participation status in Bridges. BEM 230A. The Department must assign self-sufficiency activities up to the medically permissible limit of the individual. BEM 230A. The Department should ask the work participation program to provide any test results or other documentation about the client's limitations at the time the client is referred back to DHS. BEM 230A.

Noncompliance by a WEI while the application is pending results in group ineligibility. BEM 233A. A WEI applicant who refused employment without good cause, within 30 days prior to the date of application or while the application is pending, must have benefits delayed. BEM 233A. If a WEI applicant refuses suitable employment without good cause while the FIP application is pending (or up to 30 days before the FIP application date), approve FIP benefits no earlier than the pay period following the pay period containing the 30th day after the refusal of employment. A non-WEI who does not complete the FAST within 30 days and the application is still pending is denied FIP. A good cause determination is not required for applicants who are noncompliant prior to FIP case opening. If a WEI member add refuses suitable employment without good cause while the FIP member add is pending, close the FIP EDG for the minimum number of penalty months. BEM 233A.

Here, Claimant contends that she has a psychological disability which prevents her participation with employment-related activities. Claimant testified that she called her Department caseworker indicating that she was unable to obtain the DHS-0049-E and DHS-0049-D forms from her mental health providers. Claimant argued that she was unable to obtain the forms within 10 days. However, Claimant, at the time of the hearing in this matter, had not turned in either form. Without the DHS forms, the Department would be unable to determine whether or not Claimant has a disability which prevents her participation with WF/JET. Without these forms, the Department cannot determine Claimant's eligibility for FIP. Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A. Although Claimant claims that she cannot work due to a mental limitation, the instant matter is not a proper disability hearing. In other words, this Administrative Law Judge does not have the authority in this matter to declare that Claimant is disabled.

Without proper documentation from the MRT and a finding that Claimant is not capable of work, Claimant would be required to participate with WF/JET. Because Claimant did not attend the scheduled WF/JET appointment, the Department correctly found that she was noncompliant. The Department also properly scheduled Claimant for JET orientation in accordance with policy. Claimant did not attend the orientation as required. Claimant failed to provide sufficient evidence to explain why she could not attend WF/JET orientation. Rather, Claimant insists that she is not capable of attending WF/JET. However, Claimant did not provide the DHS forms needed for MRT consideration. Because Claimant failed to attend a required WF/JET appointment, she does not have good cause for her noncompliance.

Therefore, this Administrative Law Judge finds that, based on the material and substantial evidence presented during the hearing, Claimant has failed to show good cause for failing to complete her WF/JET attendance requirements. As a result, the Department properly denied Claimant's FIP application and properly closed Claimant's FIP case. Claimant would need to reapply and ensure that all documentation is timely provided to the Department in order to obtain a medical deferral.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department properly denied Claimant's FIP application and/or properly closed Claimant's FIP case for noncompliance with WF/JET requirements and the 3 (three) sanction is **AFFIRMED**.

IT IS SO ORDERED.
