MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

**IN THE MATTER OF:**

[REDACTED]

Reg. No: 201335570  
Issue No: 1038  
Case No: [REDACTED]  
Hearing Date: April 18, 2013  
County: Kent County DHS

**ADMINISTRATIVE LAW JUDGE:** Suzanne D. Sonneborn

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing received by the Department of Human Services (department) on March 12, 2013. After due notice, a telephone hearing was held on April 18, 2013. Claimant appeared and provided testimony and Claimant's mother, [REDACTED], appeared and provided testimony on Claimant's behalf. The department was represented by [REDACTED], a family independence manager, and [REDACTED], a case manager, both with the department's Kent County office, and [REDACTED], a case manager with the department's Michigan Works program.

**ISSUE**

Whether the department properly terminated and sanctioned Claimant's Family Independence Program (FIP) benefits based on Claimant's noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds as material fact:

1. At all times relevant to this hearing, Claimant was a recipient of FIP benefits and, as a recipient of FIP benefits, Claimant was a mandatory WF/JET participant.
2. In her November 26, 2012 application for FIP benefits, Claimant acknowledged with her electronic signature her understanding of the requirements of the JET program including, among other things, that she must comply with assigned employment and/or self-sufficiency activities. Claimant further acknowledged her understanding that there are penalties

for not cooperating with work or family strengthening requirements, including a permanent loss of cash assistance if she was in noncompliance without good cause for the third time. (Department Exhibit 1)

3. On January 29, 2013, Claimant's Michigan Works caseworker issued Claimant a Noncompliance Warning Notice for her failure to submit her required job activities on January 22 and January 23, 2013 and her unexcused absences from the JET program on January 24, January 25, and January 28, 2013. In doing so, Claimant's caseworker advised Claimant that she was to report for a re-engagement meeting on February 4, 2013 at 1:00 p.m.. (Department Exhibit 4)
4. Claimant attended her February 4, 2013 reengagement appointment and, in doing so, signed a Reengagement Agreement, where she agreed to complete activities as assigned and comply with the requirements of the JET program, including Claimant's submittal of appropriate documentation to support any absences from the program. (Department Exhibit 4)
5. On February 27, 2013, the department mailed Claimant a Notice of Noncompliance (DHS 2444) and a Notice of Case Action for her failure to participate as required in employment and/or self-sufficiency related activities – specifically, Claimant's unexcused absences from the program on February 11, February 13, February 18, February 19, February 20, February 22, and February 25, 2013. The Notices indicated that, unless good cause was established, effective April 1, 2013, her FIP case would be closed for a lifetime sanction as this was Claimant's third non-compliance. The Notice of Noncompliance also scheduled a triage appointment for Claimant on March 6, 2013 at 2:00 p.m. (Department Exhibits 3, 6, 7)
6. Claimant attended the March 6, 2013 triage appointment, at which time the department concluded that Claimant did not establish good cause for her noncompliance for the reason that Claimant provided no medical documentation in support of her unexcused absences from the JET program. (Department Exhibit 4)
7. Effective April 1, 2013, Claimant's FIP case was closed and subject to a lifetime sanction for her failure to participate as required in employment and/or self-sufficiency related activities. (Department Exhibits 6, 7)
8. On March 6, 2013, Claimant submitted a hearing request protesting the department's closure of her FIP case and imposition of a lifetime sanction. (Request for Hearing)

## **CONCLUSIONS OF LAW**

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600. The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Licensing and Regulatory Affairs (LARA) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
  - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
  - .. Provide legitimate documentation of work participation.
  - .. Appear for a scheduled appointment or meeting related to assigned activities.
  - .. Participate in employment and/or self-sufficiency-related activities.
  - .. Accept a job referral.
  - .. Complete a job application.
  - .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. The

department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, the client is offered a telephone conference at that time. Clients must comply with triage requirement within the negative action period.

The department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Good cause includes the following:

- The person is working at least 40 hours per week on average and earning at least state minimum wage.
- **The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information.** This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance. (Emphasis added)
- The client has a debilitating illness or injury, or a spouse or child's illness or injury requires in-home care by the client.
- The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability.

- The client requested child care services from DHS, PATH, or other employment services provider prior to case closure for noncompliance and child care is needed for an eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.
- The care is appropriate to the child's age, disabilities and other conditions.
- The total commuting time to and from work and the child care facility does not exceed three hours per day.
- The provider meets applicable state and local standards. Also, unlicensed providers who are not registered/licensed by the DHS Bureau of Children and Adult Licensing must meet DHS enrollment requirements; see BEM 704.
- The child care is provided at the rate of payment or reimbursement offered by DHS.
- The client requested transportation services from DHS, PATH, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.
- The employment involves illegal activities.
- The client experiences discrimination on the basis of age, race, disability, gender, color, national origin or religious beliefs.
- Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to, the following:
  - Domestic violence.
  - Health or safety risk.
  - Religion.
  - Homelessness.
  - Jail.
  - Hospitalization.
- The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.
- Total commuting time exceeds: two hours per day, not including time to and from child care facilities **or** three hours per day, including time to and from child care facilities.

The penalty for noncompliance without good cause is FIP closure. Effective October 1, 2011, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than three calendar months.
- . For the second occurrence on the FIP case, close the FIP for not less than six calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for a lifetime sanction. BEM 233A.

Department policy further indicates that the individual penalty counter begins April 1, 2007. BEM 233A. Individual penalties served after October 1, 2011 will be added to the individual's existing penalty count.

Department policy further indicates that a noncompliant group member will be sanctioned from the FAP group for the FIP noncompliance if they are not deferred from FAP work requirements. BEM 233B.

In this case, Claimant was required to participate in the JET/Work First program as a condition of Claimant receiving FIP benefits. On February 27, 2013, the department found that Claimant was noncompliant with the JET/WF program due to Claimant's failure to participate as required in employment and/or self-sufficiency related activities – specifically, Claimant's unexcused absences from the program on February 11, February 13, February 18, February 19, February 20, February 22, and February 25, 2013'. And, because the department ultimately determined that Claimant did not provide good cause for her failure to attend the JET program during her triage appointment, the department closed Claimant's FIP case and imposed a lifetime sanction on her case due to this being Claimant's third noncompliance.

At the April 18, 2013 hearing, Claimant testified that she did not participate in JET activities during the time period in question because of illness related to her pregnancy. Claimant acknowledged that she did not provide any medical documentation to the department excusing Claimant from participating in the JET program but indicated that her physician's office refused to provide her with such documentation. And while Claimant testified that she attempted to call her case specialist in advance of her required attendance at the JET program to report her inability to attend, the department's representatives testified that Claimant made no such calls and no documentation of any such calls appears in her case comment records.

Testimony and other evidence must be weighed and considered according to its reasonableness. *Gardiner v Courtright*, 165 Mich 54, 62; 130 NW 322 (1911); *Dep't of Community Health v Risch*, 274 Mich App 365, 372; 733 NW2d 403 (2007). Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine. *Dep't of Community Health*, 274 Mich App at 372; *People v Terry*, 224 Mich App 447,

452; 569 NW2d 641 (1997). In evaluating the credibility and weight to be given the testimony of a witness, the fact-finder may consider the demeanor of the witness, the reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter. *People v Wade*, 303 Mich 303 (1942), *cert den*, 318 US 783 (1943).

This Administrative Law Judge has carefully considered and weighed the testimony and other evidence in the record, including the case notes submitted by Michigan Works and Claimant's signed acknowledgment of her understanding of the requirements of the JET program. This Judge finds that, based on the competent, material, and substantial evidence presented during the hearing, because Claimant failed to produce any medical evidence or other reliable information establishing that she was physically unfit for participation in the JET program, Claimant has failed to show good cause for her failure to participate as required in employment and/or self-sufficiency related activities. The department properly closed and imposed a lifetime sanction on Claimant's FIP case for her non-compliance with WF/JET requirements.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly closed and imposed a lifetime sanction on Claimant's FIP case for her non-compliance with WF/JET requirements. The department's actions are therefore **UPHELD**.

It is SO ORDERED.
