Issue No.: 3055
Case No.: [REDACTED]
Hearing Date: June 6, 2013
County: Muskegon

ADMINISTRATIVE LAW JUDGE: Vicki L. Armstrong

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Department of Human Services' (Department) request for a hearing. After due notice, a telephone hearing was held on June 6, 2013, from Lansing, Michigan. The Department was represented by [REDACTED] [REDACTED] of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an over-issuance (OI) of Food Assistance Program (FAP) Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did Respondent commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on April 1, 2013 to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.

3. Respondent was a recipient of FAP and MA benefits during the period of April 22, 2009 through March 31, 2012.
4. Respondent was aware of the responsibility to report changes in circumstances timely.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period they are considering the fraud period is May 1, 2010 through March 31, 2012.
7. During the alleged fraud period, Respondent was issued \$ [REDACTED] in FAP benefits and \$ [REDACTED] in MA benefits from the State of Michigan.
8. Respondent was entitled to \$0 in FAP and MA during this time period.
9. Respondent did receive an OI in the amount of \$ [REDACTED] under the FAP program and \$ [REDACTED] under the MA program.
10. The Department has established that Respondent committed an IPV.
11. This was Respondent's first IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720.

The Department's OIG requests IPV hearings for cases when:

- benefit overissuances are not forwarded to the prosecutor,
- prosecution of welfare fraud is declined by the prosecutor for a reason other than lack of evidence, and
- the total overissuance amount is \$1000 or more, or
- the total overissuance amount is less than \$1000, and
 - the group has a previous intentional program violation, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance,
 - the alleged fraud is committed by a state/government employee.

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving certain program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the overissuance relates to MA. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710. Clients are disqualified for periods of one year for the first IPV, two

years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

Additionally, in this case, the department has established by clear and convincing evidence that Respondent intentionally failed to report that he had left the State of Michigan for more than 30 days. Respondent's signature on this application certifies that he was aware that fraudulent participation in FAP and MA could result in criminal or civil or administrative claims. Because of Respondent's failure to report that he left the State of Michigan for more than 30 days, he received an overissuance of \$ [REDACTED] in FAP benefits and \$ [REDACTED] in MA benefits and the department is entitled to recoup.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. Respondent did commit an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] in FAP benefits and \$ [REDACTED] in MA benefits.

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
