CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

It is not contested in this case that the Claimant failed to participate with [REDACTED]. The Claimant asserts [REDACTED] of [REDACTED] [REDACTED] as good cause for her non-compliance. The JET Case Worker at the hearing testified that the Claimant needed to apply for Child Care and Development (CDC) benefits and as she did not do so, good cause can not be granted. The Claimant maintained that she had applied and was actually denied CDC benefits and she applied again in January and her CDC provider faxed in the DHS-4025, CDC Provider Form. It is not contested that there was a telephone triage to determine good cause. It is not contested that the result of the triage was that the JET Case Worker gave the Claimant until the end of the day, on February 28, 2013, to fax a copy of the confirmation sheet indicating that the DHS-4025, CDC provider form was faxed to the Department on January 24, 2013 as the Claimant had maintained. It is also not contested that the Claimant never did fax the confirmation form to the JET Case Worker and the JET Case Worker therefore determined no good cause for the Claimant's non-compliance.

Bridges Eligibility Manual (BEM) 233A (2013) p. 6, provides that the penalty for noncompliance without good cause is FIP case closure. The Administrative Law Judge therefore concludes that when the Department took action to close the Claimant's FIP case, the Department was acting in accordance with its policy.

Based upon the above Findings of Fact and Conclusions of Law the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
 did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED.
