CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

The PATH Coordinator who presented the case for the Department at the hearing was not the worker who took action in this case. He testified that the worker who took action in the case told him that the Claimant had not requested an extension of time to submit the MRT packet. The Claimant contested this testimony and stated that she did request an extension to obtain and submit the verification requested and she did so by leaving a message on her worker's voice mail. The Claimant testified that she has difficulty reaching her worker and leaves messages for her all the time.

The DHS-3503-MRT, Medical Determination Verification Checklist in evidence was sent to the Claimant on March 28, 2013 and it indicates that the proofs were due on April 8, 2013. The form specifically informs the Claimant to contact her worker if she has difficulty obtaining the proofs. The only evidence refuting the Claimant's testimony that she left a message asking for an extension is hearsay evidence. Therefore, the Claimant's testimony is found to be credible and persuasive in this regard.

Bridges Administrative Manual (BAM) 130 (2012) p. 5 prohibits extensions of time in only FAP cases and provides that time can be extended up to three times for MA and AMP cases. As the Claimant's case involves obtaining medical documentation, she likely should have been granted an extension of time when she requested one. As the Claimant was not granted an extension to obtain the required documents, the Administrative Law Judge concludes that when the Department took action to close the Claimant's case, the Department was not acting in accordance with its policy.

Based upon the above Findings of Fact and Conclusions of Law the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case for:
 AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Initiate action to reinstate the Claimant's FIP case back to the closure date, and

2. Initiate action to issue the Claimant any supplements she may thereafter be due.
