### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98

and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

In this case, the Claimant maintained that she did not attend the PATH program until 4:28 p.m. on May 6, 2013 because she was ill that day and though she did not see her doctor that day, her doctor did call in a prescription for nausea medication. The uncontested testimony was that the Claimant did not call her PATH worker to let it be known that she was sick and furthermore, she attended school that day. The uncontested testimony is that the Claimant did not provide verification of her illness at the scheduled triage meeting. The Claimant testified that she brought a doctor's statement with her to the hearing. The Administrative Law Judge finds the doctor's statement to be irrelevant because verification of her inability to work is required to be produced at triage, per Bridges Eligibility Manual (BEM) 233A (2013) p. 3.

It is not contested that the Claimant was required to be at PATH at 9:30 on May 6, 2013, that she did not arrive there until 4:28 p.m. and that she did not telephone her PATH worker to say she would be late or she was ill. The Administrative Law Judge therefore finds that the Claimant was non-compliant with PATH. It is not contested that the Claimant brought no verification of good cause with her to her triage meeting, though the DHS-2444, Notice of Non-compliance instructed her to do so. BEM 233A, p. 6, provides that the penalty for noncompliance without good cause is FIP case closure. The Administrative Law Judge therefore concludes that when the Department took action to close the Claimant's FIP case, the Department was acting in accordance with its policy.

Based upon the above Findings of Fact and Conclusions of Law the Administrative Law Judge concludes that the Department

properly denied Claimant's application     improperly denied Claimant's application  
 properly closed Claimant's case                       improperly closed Claimant's case for:  
 AMP  FIP  FAP  MA  SDA  CDC.

Based upon the above Findings of Fact and Conclusions of Law the Administrative Law Judge concludes that the Department

properly denied Claimant's application     improperly denied Claimant's application  
 properly sanctioned Claimant's case                       improperly closed Claimant's case  
for:  AMP  FIP  FAP  MA  SDA  CDC.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law finds that the Department  did act properly.  did not act properly.

Accordingly, the Department's  AMP  FIP  FAP  MA  SDA  CDC decision is  **AFFIRMED**  REVERSED.
