CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

The uncontested facts are that the Department, via central print, sent the Claimant a DHS-1046, Semi-Annual Contact Report on March 1, 2013. The Claimant did not return the report. The Claimant had actually notified her Department worker at the time that she had an address change. The Claimant has had different workers and the worker to whom she reported her address change was not the worker at the hearing. The Claimant testified that when she received the notice of case closure, she telephoned her worker and her worker's supervisor and no one returned her telephone calls. Those facts were not contested during the hearing.

The proper mailing and addressing of a letter creates a presumption of receipt. That presumption may be rebutted by evidence. *Stacey v Sankovich*, 19 Mich App 638 (1969); *Good v Detroit Automobile Inter-Insurance Exchange*, 67 Mich App 270 (1976). In this case, the Claimant has successfully rebutted the presumption that she receive the DHS-1046, Semi-Annual Contact Report sent to her around the approximate time of her move.

Bridges Assistance Manual (BAM) 130 (2012) p. 5 provides that the Claimant must obtain required verification, but Departmental workers must assist if they need and request help. BAM 130 p. 5 provides that verifications are considered to be timely if received by the date they are due. BAM 130 p. 5 instructs Department workers to send a negative action notice when the client indicates refusal to provide a verification, or when the time period given has elapsed and the client has not made a reasonable effort to provide it. In this case, the Administrative Law Judge determines that the time period for submitting the completed DHS-1046, Semi-Annual Contact Report had lapsed, but the Claimant did repeatedly telephone the Department for assistance. She could not submit a document that she never had because the Department sent it to her old address. The Claimant received no assistance from the Department when her telephone calls were not returned. Had the telephone calls been returned, the Department would have recognized that the DHS-1046, Semi-Annual Contact Report was mailed to the Claimant's old address and could have sent her another one. As such, the Administrative Law Judge concludes that the Department has not met its burden of establishing that they were acting in accordance with policy when taking action to close the Claimant's FAP case.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case for:
 AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Initiate action to re-determine the Claimant's eligibility for FAP back to the closure date, and
