CONCLUSIONS OF LAW

Departmental policy, states that when the client group receives more benefits than the group is entitled to receive, the Department must attempt to recoup the overissuance (OI). BAM 700. Repayment of an OI is the responsibility of anyone who was an eligible, disqualified, or other adult in the program group at the time the OI occurred. BAM 700. Recoupment is a Department action to identify and recover a benefit OI. BAM 700.

Here, the Department has provided evidence that shows Respondent failed to timely and properly report to the Department that she was no longer receiving unemployment compensation benefits (UCB) and had begun working on August 12, 2011. During the fraud period, the Department overissued Respondent FAP benefits based on the assumption that Respondent's income was from UCB rather than employment. Clients

are required to report changes within 10 (ten) days of receiving the first payment reflecting the change. BAM 105.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

☐ properly determined that Respondent received a \$381.00 OI of ☐ FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, finds that the Department \boxtimes did make the correct determination to establish a debt.

Accordingly, the Department is **AFFIRMED**.

☐ The Department is ORDERED to initiate collection procedures in accordance with Department policy.
