| CONCLUSIONS OF LAW | | | | | |
| Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT). | | | | | |
| ☐ The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, et seq. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, et seq., and 1999 AC, Rule 400.3101 | | | | | |

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing,

maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720.

The Department's OIG requests IPV hearings for cases when:

- benefit overissuance are not forwarded to the prosecutor.
- prosecution of welfare fraud is declined by the prosecutor for a reason other than lack of evidence, and
- the total overissuance amount is \$1000 or more, or
- the total overissuance amount is less than \$1000, and

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount. BAM 105. Changes must be reported within 10 (ten) days of receiving the first payment reflecting the change. BAM 105. Income reporting requirements are limited to the following: (1) earned income including starting or stopping employment, changing employers, change in rate of pay, and change in work hours of more than five hours per week that is expected to continue for more than one month; (2) unearned income including starting or stopping a source of unearned income; and (3) change in gross monthly income of more than \$50 since the last reported change. BAM 105.

Additionally, the Department requested an IPV with regard to the Medical Assistance Program (MA), but shortly after the hearing commenced, it was determined that the notice of hearing, hearing summary, and related documents that were mailed to the Respondent's last known address (33120 Karin Dr, Sterling Heights, MI 48310) were returned by the United States Postal Service as undeliverable. In accordance with Bridges Administrative Manual (BAM) 725, p 18, an intentional program violation hearing may not proceed and must be dismissed, where the respondent or her representative fails to appear and the notice of hearing is returned as undeliverable. For this reason, the MA matter is **DISMISSED** without prejudice.
