

STATE OF MICHIGAN  
MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

**IN THE MATTER OF:**

[REDACTED]

Reg. No.: 2013-6761  
Issue No.: 2006, 3008  
Case No.: [REDACTED]  
Hearing Date: June 13, 2013  
County: Macomb-12 County DHS

**ADMINISTRATIVE LAW JUDGE:** Corey A. Arendt

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on June 13, 2013, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] and [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED].

**ISSUE**

Due to a failure to comply with verification requirements, did the Department properly deny the Claimant's application for Medical Assistance (MA) and State Disability Assistance (SDA)?

**FINDINGS OF FACT**

I find as material fact based upon competent, material, and substantial evidence on the whole record, including testimony of witnesses:

1. As of October 8, 2012, the Claimant applied for MA and SDA benefits.
2. On October 15, 2012, the Department sent the Claimant a verification checklist. The verification checklist was due October 25, 2012.
3. As of October 25, 2012, the Claimant had not returned the requested verifications.
4. On October 26, 2012, the Department sent the Claimant a notice of case action. The notice indicated the Claimant's MA/SDA application was being denied for failing to verify information.
5. On October 23, 2012, the Claimant requested a hearing to dispute the MA application denial.

## CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The MA program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Clients have the right to contest a Department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. (BAM 600).

Department policy indicates that clients must cooperate with the local office in determining initial and ongoing eligibility with all programs. (BAM 105). This includes completion of the necessary forms. Clients who are able to but refuse to provide necessary information or take a required action are subject to penalties. (BAM 105).

Testimony and other evidence must be weighed and considered according to its reasonableness.<sup>1</sup> Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine.<sup>2</sup> In evaluating the credibility and weight to be given to the testimony of a witness, the fact-finder may consider the demeanor of the witness, the reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter.<sup>3</sup>

I have carefully considered and weighed the testimony and other evidence in the record and find the Department's testimony to be slightly more credible than the Claimant as the Department witness had a clearer recollection of the dates, times and events in question. Additionally, I found the Claimant's testimony to be vague and inconsistent. The Claimant alleged to have turned in all of the requested information prior to it ever being requested and again after the information was requested. The Claimant later went on to testify that he didn't turn in all of the requested information but did his best. These statements are inconsistent and the Claimant could not clear these issues up. Furthermore, the Claimant alleged to have submitted all of the requested information but had no documentation to satisfy his claims other than mail receipts that show something was mailed but little identification as to what. The Department agreed that documents were received but they were not the documents the Claimant was alleging to have sent.

Confounding matters is the fact the Claimant originally requested this hearing prior to the application itself ever being denied. The first hearing request was filed on October

23, 2012 ( two days prior to the verification due date and three days prior to the application being denied). The second hearing request was filed on April 4, 2013 (protesting the same application denial).

Accordingly, I find evidence to **affirm** the Department's actions as I find that more likely than not, the Claimant did not comply with the Department's request for information.

**DECISION AND ORDER**

I find, based upon the above Findings of Fact and Conclusions of Law, the Department did act properly.

Accordingly, the Department's decision is **AFFIRMED**.
