CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Additionally, in this case the evidence presented demonstrated that the Department properly closed the Claimant's Medical Assistance case because it did not receive any response to a verification checklist sent to the Claimant's AHR. Although the AHR testified the information was provided, the Department did not receive it; therefore, the Department, in accordance with Department Policy found in BAM 130, properly closed the Claimant's case. The Claimant may reapply for Medical Assistance at any time. When reapplying, the Department should be advised that the Claimant lives in a group home and her funds are managed by the group home and does not have an individual checking account, together with the accounting of her assets(income) by the person who manages Claimant's funds.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

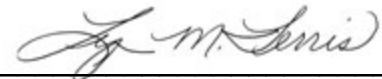

properly improperly

- closed Claimant's case.
- denied Claimant's application.
- reduced Claimant's benefits.
