### **CONCLUSIONS OF LAW**

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), the Reference Tables Manual (RFT), and the State Emergency Relief Manual (ERM).

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

The law provides that disposition may be made of a contested case by stipulation or agreed settlement. MCL 24.278(2).

In the present case, Claimant requested a hearing to dispute the Department's action. Soon after commencement of the hearing, the parties testified that they had reached a settlement concerning the disputed action. Consequently, the Department agreed to do the following: The Department agreed to seek a help desk ticket so that the Claimant's

CDC application dated December 28, 2012 could be re-registered and processed to determine eligibility for CDC. The Department also further agreed to process reimbursement for CDC benefits provided the Claimant is eligible and further provided that the CDC provider provides billings for the CDC services provided.

As a result of this settlement, Claimant no longer wishes to proceed with the hearing. As such, it is unnecessary for this Administrative Law Judge to render a decision regarding the facts and issues in this case.

**DECISION AND ORDER**

The Administrative Law Judge concludes that the Department and Claimant have come to a settlement regarding Claimant's request for a hearing.

THE DEPARTMENT IS ORDERED TO INITIATE THE FOLLOWING ACTION WITHIN TEN DAYS OF THE MAILING DATE OF THIS ORDER:

1. The Department shall re-register and process the Claimant's December 28, 2012 CDC application and shall determine Claimant's eligibility for CDC. The Department shall seek a help desk ticket to assist with any processing problems.
2. The Department shall issue reimbursement for CDC services provided it is determined that the Claimant is eligible and that Claimant's CDC provider submits billings for the services provided for the period.
