 Issue No.:
 6031

 Case No.:
 June 26, 2013

 Hearing Date:
 June 26, 2013

 County:
 Oakland (02)

ADMINISTRATIVE LAW JUDGE: Zainab Baydoun

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on June 26, 2013, from Detroit, Michigan. Claimant appeared and testified. Participating on behalf of the Department of Human Services (Department) was Eligibility Specialist.

<u>ISSUE</u>

Did the Department properly process Claimant's request for Direct Support Services (DSS) assistance with vehicle purchase?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- 1. In March 2013, Claimant requested DSS assistance with the purchase of a vehicle.
- 2. On April 15, 2013, the Department sent Claimant a Notice of Case Action informing her that her application had been denied. (Exhibit 1).
- 3. On April 22, 2013, Claimant submitted a hearing request disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are found in the Department of Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Reference Tables Manual (RFT), and State Emergency Relief Manual (ERM).

Direct Support Services (DSS) is administered by the Department pursuant to MCL 400.57a, *et seq.*, and Mich Admin Code R 400.3603.

DSS are goods and services provided to help families achieve self-sufficiency and include Employment Support Service (ESS) which allows for vehicle purchase. BEM 232 (January 2013), p. 1. There is no entitlement for DSS. BEM 232, p. 1. The decision to authorize DSS is within the discretion of the Department or the work participation program. BEM 232, p. 1. The Department may authorize up to \$2,000 to purchase, not lease, a vehicle to be used as a participant's primary means of transportation for work or employment-related activities. Vehicle purchase is limited to once in a client's lifetime. BEM 232, p.13. The Department is to send a DHS-1605, Client Notice, informing the client of the outcome of the DSS request. BEM 232, p.6.

In this case, Claimant testified that in March 2013, she submitted a request for DSS assistance with vehicle purchase which was denied. Claimant was notified of the denial through a Notice of Case Action sent to her by the Department on April 15, 2013. BEM 232, p.6;(Exhibit 1). Although the Notice of Case Action states that Claimant's application was denied based on a failure to verify, the Department testified that verifications were requested and received and that the reason for the denial was because the Department had already approved the purchase of a car for Claimant through DSS in 2007. In support of its testimony, the Department presented a DSS Payment summary and a DSS Payments Detail both, of which confirm that on October 18, 2007, Claimant was paid \$1,200.00 to be used towards the purchase of a vehicle. (Exhibit 2 and Exhibit 3). Claimant disputed this and stated that in 2007, her request was for a vehicle repair but that the Department changed it to a vehicle purchase when it should not have.

Because vehicle purchase through DSS is limited to once in a client's lifetime and the Department has presented documentation establishing that in 2007, Claimant's DSS request for assistance with vehicle purchase was approved, the Department did not abuse its discretion when it denied Claimant's March 2013 DSS application for assistance with vehicle purchase. BEM 232, p.13.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for reasons stated on the record, finds that the Department acted in

accordance with Department policy when it denied Claimant's DSS application for vehicle purchase assistance. Accordingly, the Department's decision is AFFIRMED.
