CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

☒ The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and Michigan Administrative Rule 400.3151 through Rule 400.3180.

As a preliminary matter, Claimant's request for hearing identified that she had an Authorized Hearing Representative (AHR). See Exhibit 1. However, the AHR was not present for the hearing. Claimant testified that she wanted to proceed with the hearing without her AHR present.

In this case, on April 16, 2013, Claimant applied for SDA benefits. Exhibit 1. The Department testified that Claimant applied for SDA benefits for herself and her two sons. See Hearing Summary, Exhibit 1. Moreover, the Department testified that Claimant and one of her sons are not disabled. See Hearing Summary, Exhibit 1. However, the Department also testified that Claimant's other son is disabled and receives Supplemental Security Income (SSI), which makes him ineligible to receive State Disability Income. See Hearing Summary, Exhibit 1. Thus, on April 22, 2013, the Department sent Claimant a Notice of Case Action notifying her that her SDA application was denied effective May 16, 2013, ongoing, due to her son not being eligible for SDA benefits. Exhibit 1.

To receive SDA, a person must be disabled, *caring for a disabled person*, or age 65 or older. BEM 261 (January 2012), p. 1; emphasis added. A person is disabled for SDA purposes if he/she is certified as unable to work due to mental or physical disability for at least 90 days from the onset of the disability. BEM 261, p. 1. Persons receiving SSI, due to disability or blindness meets the SDA disability criteria. BEM 261, p. 1.

Moreover, a caretaker of a disabled person may receive SDA provided that the assistance of the caretaker is medically necessary for at least 90 days and the caretaker and the disabled person live together. BEM 261, p. 3. Assistance means personal care services and includes meal preparation, laundry, food shopping, errands, light cleaning, non-nursing personal care (bathing, dressing, etc.) and assistance with medication. BEM 261, p. 3. The disabled person does not have to be related to the caretaker or receive SDA. BEM 261, p. 3.

SDA is a cash program for individuals who are not eligible for FIP and are disabled or the caretaker of a disabled person. BEM 214 (January 2010), p. 1. An SDA eligibility

determination group (EDG) consists of either a single adult or adult and spouses living together. BEM 214, p. 1. An individual is considered an adult for SDA when he or she is age 18 or older or has been emancipated. BEM 214, p. 1. The eligibility determination group (EDG) means those adults living together whose information is needed to determine SDA Eligibility. BEM 214, p. 1. Only an adult individual and his or her spouse who live together are included in an SDA EDG. BEM 214, p. 1. The certified group (CG) means those persons in the EDG who meet all non-financial SDA eligibility factors. BEM 214, p. 1. Countable income and assets of CG members are always considered in determining SDA eligibility. BEM 214, p. 1.

At the hearing, Claimant testified that she is a caretaker of her son who is disabled. Claimant testified that she and her son live together. The Department confirmed that Claimant's son does receive SSI by providing an SOLQ report. See Exhibit 1.

Based on the foregoing information and evidence, the Department improperly denied Claimant's SDA application. The Department testified that Claimant's son is disabled and receives SSI, which makes him ineligible. Thus, the Department sent the Notice of Case Action which stated that Claimant's son is ineligible for SDA. See Exhibit 1. However, Claimant is the caretaker of a disabled person who is her son. The Department should have run eligibility to determine if Claimant is eligible for SDA benefits because she is a caretaker of a disabled person. BEM 261, pp. 1-3. Moreover, the SDA EDG consists of a single adult, which the Claimant falls under the EDG category. BEM 214, p. 1. Thus, the Department improperly denied Claimant's SDA application effective May 16, 2013, ongoing, in accordance with Department policy. BEM 214, p. 1 and BEM 261, pp. 1-3.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
 did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Reregister the April 16, 2013 SDA application;

5. Notify Claimant of its SDA decision in writing in accordance with Department policy.
