CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The MA program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State of Michigan has set guidelines for income, which determine if a MA group is eligible. Income eligibility exists for the calendar month tested when there is no excess income, or allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). BEM 545.

After an extensive review of Claimant's undisputed budgets I have determined all calculations were properly made at review, and all MA issuance/budgeting rules were properly applied. As such, the Department's denial of the Claimant's MA application must be upheld.

DECISION AND ORDER

I find, based upon the above findings of fact and conclusions of law that the Department acted in accordance with policy in determining Claimant's MA eligibility.

The Department's actions are **AFFIRMED**.
