DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

██████████
WARREN, OH 44485

Reg. No.: 201336392
Issue No.: ██████████
Case No.: ██████████
Hearing Date: July 16, 2013
County: Genesee

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 and in accordance with 7 CFR 273.16 and Mich. Admin Code, Rule 400.3130 upon the Department of Human Services' (Department) request for a hearing. After due notice, a hearing was held on July 16, 2013. Respondent appeared and testified. The Department was represented by ██████████ of the Office of Inspector General (OIG).

ISSUE

Whether Respondent committed an Intentional Program Violation (IPV) and whether Respondent received a ██████████ over-issuance of Food Assistance Program (FAP) benefits between February 1, 2012, and January 31, 2013, which the Department is entitled to recoup?

Whether Respondent received duplicate Food Assistance Program (FAP) benefits in violation of Department of Human Services Bridges Eligibility Manual (BEM) 222 page 2?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) On November 1, 2011, Respondent was on an open Food Assistance Program (FAP) case in Ohio. Respondent remained on the open case until November 30, 2012.
- (2) On January 20, 2012, Respondent submitted an application for Food Assistance Program (FAP) benefits in Michigan. On the application Respondent reported she was homeless, had received FAP in Illinois and intended to stay in

Michigan. Respondent did not report being on an active FAP case in Ohio. This application was denied because Claimant was still receiving FAP from Illinois.

- (3) On February 10, 2012, Respondent submitted another application for Food Assistance Program (FAP) in Michigan. Again Respondent reported she was homeless, had received FAP in Illinois and intended to stay in Michigan. Respondent did not report being on an active FAP case in Ohio. Respondent began receiving FAP benefits from Michigan while she was still on an active FAP case in Ohio.
- (4) On August 21, 2012, Respondent began using her Michigan Food Assistance Program (FAP) benefits in Illinois and Ohio. All the rest of Respondent's Electronic Benefit Transfer (EBT) card transactions were outside of Michigan.
- (5) Respondent intentionally failed to report information or gave incomplete or inaccurate information needed to make a correct benefit determination by failing to report she was on an active FAP case in Ohio and failing to report her change of physical residence to another state.
- (6) Respondent was clearly and correctly instructed regarding reporting responsibilities as evidenced by her signature of the assistance application.
- (7) Respondent has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.
- (8) Respondent committed an Intentional Program Violation (IPV) by: intentionally failing to report she was on an active FAP case in Ohio; failing to report her change of physical residence to another state; and receiving Food Assistance Program (FAP) benefits from Michigan and Ohio concurrently in violation of Department of Human Services Bridges Eligibility Manual (BEM) 222.
- (9) February 1, 2012, to January 31, 2013, has correctly been determined as the over-issuance period in this case.
- (10) As a result of the Intentional Program Violation (IPV) Respondent received a [REDACTED] over-issuance of Food Assistance Program (FAP) benefits during the over-issuance period.
- (11) On March 28, 2013, the Office of Inspector General submitted this request for a hearing to disqualify Respondent from receiving Food Assistance Program (FAP) benefits.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACR 400.3001-3015.

In this case, the Department has requested a disqualification hearing to establish an over-issuance of benefits as a result of an Intentional Program Violation (IPV) and the Department has asked that Respondent be disqualified from receiving benefits. Department policies provide the following guidance and are available on the internet through the Department's website.

BAM 720 INTENTIONAL PROGRAM VIOLATIONS

DEPARTMENT POLICY

All Programs

Recoupment policies and procedures vary by program and over-issuance (OI) type. This item explains Intentional Program Violation (IPV) processing and establishment.

BAM 700 explains OI discovery, OI types and standards of promptness. BAM 705 explains agency error and BAM 715 explains client error.

DEFINITIONS

All Programs

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and;
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and;
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility.

IPV

FIP, SDA and FAP

The client/authorized representative (AR) is determined to have committed an IPV by:

- A court decision.
- An administrative hearing decision.
- The client signing a DHS-826, Request for Waiver of Disqualification Hearing or DHS-830, Disqualification Consent Agreement or other recoupment and disqualification agreement forms.

OVERISSUANCE PERIOD

OI Begin Date FIP, SDA, CDC and FAP

The OI period begins the first month (or pay period for CDC) benefit issuance exceeds the amount allowed by policy **or** 72 months (6 years) before the date the OI was referred to the RS, whichever is later.

To determine the first month of the OI period (for OIs 11/97 or later) Bridges allows time for:

- The client reporting period, per BAM 105.
- The full standard of promptness (SOP) for change processing, per BAM 220.
- The full negative action suspense period.

Note: For FAP simplified reporting, the household has until 10 days of the month following the change to report timely. See BAM 200.

OI End Date FIP, SDA, CDC and FAP

The OI period ends the month (or pay period for CDC) before the benefit is corrected.

IPV Hearings

FIP, SDA, CDC, MA and FAP

OIG represents DHS during the hearing process for IPV hearings. OIG requests IPV hearings when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

Exception: For FAP only, OIG will pursue an IPV hearing when correspondence was sent using first class mail and is returned as undeliverable.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**;
 - The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is [REDACTED] or more, **or**;
 - The total OI amount is less than [REDACTED], **and**;
 - The group has a previous IPV, **or**;
 - The alleged IPV involves FAP trafficking, **or**;
 - The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**;
 - The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained.

At the hearing Claimant asserted that her mother put her (Respondent) on her (mother) case in Ohio without Respondent's knowledge. The evidence obtained from Ohio was received in response to an inquiry from Michigan for the time period July 2009, till February 2013. When asked whether she reported leaving Michigan, Respondent asserted that she was just traveling.

Respondent's date of birth is November 24, 1989. Evidence in this record includes a LexisNexis report of information on Respondent. The report shows records of 9 different addresses for Respondent. Four of the addresses are in Warren OH and five are in Flint MI and there are none in Illinois. The report also shows that on May 18, 2009, Respondent registered to vote in Michigan and on July 1, 2009, registered to vote in Ohio.

Respondent's assertion that she did not know she was on an active case in Ohio is not credible in light of the totality of evidence in this record. If Respondent's mother elected to fraudulently receive benefits for Respondent, it would have been going on earlier than November 2011.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV) which resulted in a [REDACTED] over-issuance of Food Assistance Program (FAP) benefits that the Department is entitled to recoup and received Food Assistance Program (FAP) benefits from Michigan and Ohio concurrently in violation of Department of Human Services Bridges Eligibility Manual (BEM) 222. This is Respondent's 1st Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and the Department may disqualify Respondent from receiving Food Assistance Program (FAP) benefits for receipt of duplicate benefits, in accordance with Department of Human Services Bridges Administration Manual (BAM) 720 (2013).

It is ORDERED that the actions of the Department of Human Services, in this matter, are **UPHELD**.
