Issue No: 1038
Case No: ██████████
Hearing Date: July 31, 2013
Gratiot County DHS

ADMINISTRATIVE LAW JUDGE: Carmen G. Fahie

HEARING DECISION

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9 and MCL 400.37. Claimant's Request for a Hearing was received on March 6, 2013. After due notice, a telephone hearing was held on Wednesday, July 31, 2013. The Claimant personally appeared and testified on her own behalf with her mother, ██████████. The Department was represented by, Cheryl Liberty, LW, and Amy Burn, FIS.

ISSUE

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with the Jobs, Education, and Training (JET) program?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On October 1, 2012, the Claimant applied for PATH where the Claimant stated that she was unable to work due to knee/back issues. Department Exhibit 1-18.
2. The Claimant was a recipient of FIP benefits, which required her to participate in the JET program. Department Exhibit 19-22.
3. The Claimant submitted a Medical Needs-JET form, DHS 54E, stated that the Claimant was unable to work during physical therapy for 4 to 6 weeks. Department Exhibit 22-23.

4. On December 1, 2012, the Claimant received a PATH Appointment Notice, DHS-4785 for the Claimant to attend PATH on December 17, 2012. Department Exhibit 25.
5. On December 27, 2012, the Claimant was sent a Notice on Noncompliance (DHS-2444) requesting a triage meeting on January 8, 2013. Department Exhibit 27-28.
6. On January 8, 2013, the Department received a fax from the Claimant's Doctor through DHS 54E that the Claimant could work, but with limitations. Department Exhibit 37-38.
7. The Department conducted a triage meeting on January 8, 2013 where the determination was made that the Claimant did not have good cause for not complying with the PATH requirements.
8. On January 9, 2013, the Department notified the Claimant that it would close the Claimant's FIP benefits as of February 1, 2013 and that it was the 3rd sanction, which would result in the Claimant's FIP case closing for a lifetime.
9. The Department received the Claimant's request for a hearing on March 6, 2013, protesting the closing of the Claimant's FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. The Partnership Accountability Training Hope (PATH) program requirements, education and training opportunities, and assessments will be covered by PATH when a mandatory PATH participant is referred at application. BEM 229, page 1.

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership Accountability Training Hope (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-

sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. WEIs not referred to PATH will participate in other activities to overcome barriers so they may eventually be referred to PATH or other employment service provider. DHS must monitor these activities and record the client's participation in the Family Self-Sufficiency Plan (FSSP). A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. For more about penalties; see BEM 233A. See BEM 230B and BEM 233B for FAP employment requirements. BEM 230A, page 1.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

Failing or refusing to:

Appear and participate with PATH or other employment service provider.

Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the Family Self-Sufficiency Plan (FSSP) process.

The specialist should clear any alerts in Bridges relating to rejected PATH referrals and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST completion.

Develop a FSSP.

A FSSP completion appointment with the client must have been scheduled and the client failed to attend before considering a client noncompliant for FSSP completion.

1. Comply with activities assigned on the FSSP.
2. Provide legitimate documentation of work participation.
3. Appear for a scheduled appointment or meeting related to assigned activities.
4. Participate in employment and/or self-sufficiency-related activities.
5. Participate in required activity.
6. Accept a job referral.

7. Complete a job application.
8. Appear for a job interview (see the exception below).
9. Stating orally or in writing a definite intent not to comply with program requirements.
10. Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/ or self-sufficiency-related activity.
11. Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pages 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or PATH. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP closure. Effective October 1, 2011, the following minimum penalties apply:

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP INDIVIDUALS AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.

For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.

For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM, Item 233A.

The individual penalty counter begins April 1, 2007. Individual penalties served after October 1, 2011 will be added to the individual's existing penalty count.

Noncompliance, without good cause, with employment requirements for FIP/RAP(SEE BEM 233A) may affect FAP if both programs were active on the date of the FIP noncompliance. BEM 233b. The FAP group member should be disqualified for noncompliance when all the following exist:

- The client was active both FIP and FAP on the date of the FIP noncompliance, and
- The client did not comply with FIP/RAP employment requirements, and
- The client is subject to a penalty on the FIP/RAP program, and
- The client is not deferred from FAP work requirements, and
- The client did not have good cause for the noncompliance. BEM 233B.

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corresponds with the FIP penalty (either three months for the 1st noncompliance, 6 months for 2nd noncompliance, and a lifetime for the third noncompliance) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediately before the FIP case closed. BEM 233B.

The Claimant was an ongoing Family Independence Program (FIP) recipient. The Department had referred the Claimant to the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program on December 17, 2012 because she failed to attend PATH, which she was required to attend since her PATH deferral ended after 6 weeks. In addition, the Claimant failed to provide a new doctor's note stating that she could not work and did not attend PATH as was required. On January 2, 2013, the Department caseworker documented that she told the Claimant that if she provided a Doctor's note stating that she could not work that her FIP benefits would be restored due to good cause. Department Exhibit 29. The Claimant's doctor's note stated that she could work with limitations, which did not give her good cause. The Department conducted a triage meeting on January 8, 2013 and it

was determined that the Claimant did not have good cause for noncompliance with the PATH program.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for PATH noncompliance with the PATH program is reasonable. The Department has established that it acted properly when it closed the Claimant's FIP benefits for noncompliance with the PATH program. This is the Claimant's 3rd sanction where her FIP benefits will be cancelled for a lifetime. Department Exhibit 46-53.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's FIP case for noncompliance with the PATH program. This is the Claimant's 3rd sanction where her FIP benefits will be cancelled for a lifetime.

The Department's FIP sanction is **AFFIRMED**.
