CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), the Reference Tables Manual (RFT), and the State Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The law provides that disposition may be made of a contested case by stipulation or agreed settlement. MCL 24.278(2).

In the present case, Claimant requested a hearing to dispute the Department's action. Soon after commencement of the hearing, the parties testified that they had reached a settlement concerning the disputed action. Consequently, the Department agreed to do the following: The Department agreed to re-register the Claimant's March 5, 2013 application for medical assistance and indicate that the Claimant was 2 months post-pregnancy or enter pregnant in the Bridges System. The Department further agreed to provide notice to the Claimant of the current non-cooperation and seek verification of cooperation so that Claimant cures the non-cooperation by verification and so that the application may be processed.

As a result of this settlement, Claimant no longer wishes to proceed with the hearing. As such, it is unnecessary for this Administrative Law Judge to render a decision regarding the facts and issues in this case.

DECISION AND ORDER

The Administrative Law Judge concludes that the Department and Claimant have come to a settlement regarding Claimant's request for a hearing.

THE DEPARTMENT IS ORDERED TO INITIATE THE FOLLOWING ACTION WITHIN TEN DAYS OF THE MAILING DATE OF THIS ORDER:

1. The Department shall re-register the Claimant's MA application and retro application to February 2013 dated March 5, 2013 and process the application to determine eligibility. The Department shall further indicate when processing the application that the Claimant is pregnant when entering the Claimant's status as of the application.
2. The Department shall send a notice of Non-Cooperation to the Claimant and request verification by the Claimant regarding the non-cooperation status and afford Claimant an opportunity to resolve the non-cooperation status as part of the processing of the application.
