The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, the Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the FAP program pursuant to MCL 400.10, et seq., and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. BEM, Item 500. A standard deduction from income of \$148 is allowed for certain households. Certain non-reimbursable medical expenses above \$35 a month may be deducted for senior/disabled/veteran group members. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$469 for non-senior/disabled/veteran households. BEM, Items 500 and 554; RFT 255; 7 CFR 273.2. Only heat, electricity, sewer, trash and telephone are allowed deductions. BEM 554. Any other expenses are considered non-critical, and thus, not allowed to be deducted from gross income. Furthermore, RFT 255 states exactly how much is allowed to be claimed for each deduction.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the Department properly computed the claimant's gross income. The gross unearned income amount must be counted as income, which is in this case \$1698. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The Department, in compliance with the federal regulations, has prepared issuance tables which are set forth at Bridges Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant is eligible for an FAP amount of \$16. The Administrative Law Judge has reviewed the budget and found no significant errors. The claimant was unable to point to any specific error in the budget.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department $\ oxedsymbol{oxed}$ properly $\ oxedsymbol{\Box}$ improperly
