Houghton County DHS

ADMINISTRATIVE LAW JUDGE: Landis. Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; MSA 16.409 and MCL 400.37; MSA 16.437 upon the Claimant (Petitioner's) request for a hearing. After due notice a telephone hearing was held on 8/13/13. Petitioner was represented at the hearing by [REDACTED] ([REDACTED]) ([REDACTED]).

Appearing on behalf of the department were [REDACTED] (P31957), [REDACTED], Manager, [REDACTED], Federal Compliance Officer; and [REDACTED], Program Services Manager, [REDACTED], funding Specialist and [REDACTED] Program Manager.

ISSUE

Whether the Department of Human Services (DHS or the Department) properly determined that petitioner was ineligible to receive Title IV-E funding under the circumstances?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. On 3/21/13, petitioner, ([REDACTED]), hereinafter identified as the [REDACTED] was removed from his [REDACTED] home by the [REDACTED].
2. Based upon information obtained from BRIDGES [REDACTED] received \$ [REDACTED] in earned income that month and \$ [REDACTED] in support income in March 2013 for a total of \$ [REDACTED].

3. According to the Title IV AFDC Standard of Needs Chart (July 16, 1996) the income cut-off for eligibility of Title IVE funds for a household with five members in Houghton County is \$ [REDACTED]
4. On April 5, 2013, the department caseworker sent petitioner notice that Title IVE eligibility was denied based upon excess family income.
5. On July 2, 2013, [REDACTED] filed a request for a hearing to contest the department's negative action.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Legal authority for the Department to provide, purchase or participate in the cost of out-of-home care for youths has been established in state law: the Probate Code Chapter XII-A, Act 288, P.A. of 1939; the Social Welfare Act, Act 280, P.A. of 1935; the Michigan Children's Institute Act, Act 220, P.A. of 1935; the Michigan Adoption Code, Act 296, P.A. of 1974; and the Youth Rehabilitation Services Act P.A. 150, of 1974. These laws specify the method of the Department involvement in these costs. The legislature has established a system whereby:

1. the local court may provide out-of-home care directly and request reimbursement by the state (Child Care Fund), or
2. the court may commit the youth to the state and reimburse the state for care provided (State Ward Board and Care).

Title IV-E is a funding source. To be eligible for payment under Title IV-E, children must, by Family Court or Tribal Court order, be under DHS supervision for placement and care or committed to DHS.

- All youth are to be screened for Title IV-E eligibility at the time of acceptance. Even though an initial placement may be in a placement where Title IV-E cannot be paid (e.g., unlicensed relatives, detention, training school, camp), eligibility may exist in subsequent placements.

- If a youth has been initially determined not eligible for Title IV-E funding (based on ineligibility of the family for the former AFDC grant program or the judicial determinations do not meet the time requirements detailed in FOM 902-2, Required Judicial Findings), **s/he will never be eligible for Title IV-E funding while in this placement episode.** Therefore, SWSS FAJ will not request the information for title IV-E eligibility when regular redeterminations of appropriate foster care funding source are conducted. (See FOM 902, FINANCIAL DETERMINATIONS for information on placement episodes.) FOM 902, page 1. (emphasis added)

Title IV-E eligibility may begin on the first day of placement in the month in which all eligibility criteria are met. Eligibility criteria which must be met include:

- Required judicial determinations of reasonable efforts and contrary to the welfare on a signed court order.
- **AFDC eligibility, including establishment of financial need and deprivation.**
- Living with and removed from the same specified relative.
- A child must be under the age of 18, unless enrolled full-time in high school or an equivalent vocational or technical course and can reasonably be expected to complete the course prior to their nineteenth birthday. FOM 902, page 3. Emphasis added.

Title IV-E eligibility begins with a determination of the child and family's ability to qualify for the former Aid to Families with Dependent Children (AFDC) program under the state plan which was in effect on July 16, 1996. The child and family's eligibility for the Family Independence Program (FIP) cash assistance grant **does not** equate to automatic eligibility for title IV-E funds. FOM 902, page 4.

The child must meet all eligibility requirements for the former AFDC program, except that of living with an acceptable relative, in the month in which the court action that led to the child's removal occurred. A court action is defined as an order that removes the child from his/her home.

The eligibility requirements include age, deprivation, and need. A reasonable effort to reconstruct the elements of eligibility at the time the court action occurred which led to removal is expected.

The following children are not former AFDC eligible as there are no facts upon which to base former AFDC program eligibility:

- Children, whose parents or other relatives cannot be identified.
- Children whose parents will not cooperate in the eligibility determination process and DHS has no income or asset information on record. FOM 902, page 7.

The removal household determines whose income to use in determining the eligibility group. The same members used to determine the eligibility group are used in determining the group size. The child's income and assets are always used in determinations. The following are examples:

- For a child removed from the parent(s).
 - The income and assets of the **parent(s)**, stepparent(s), sibling(s) and stepsibling(s) under age 18 (or are age 18 and attending school and are expected to graduate by age 19), must be considered in the initial eligibility determination.
 - **Do not include the income and assets of the non-parent adult, putative father or living together partner. They are not counted in the group size. FOM 902, page 11.**

The SWSS FAJ funding determination process automatically applies the following income and asset deductions:

- Income disregards. Additional income deductions are applied if the parent whose income was a part of the initial determination also received FIP in the last four months.
- Child care expenses. Enter the amount paid for the actual child care expenses, not the DHS allowable amount.
- Child support. Enter the amount of child support paid, not the ordered amount, by the parent for a child who is not living within the removal home.
- Property exemptions. \$ [REDACTED] in property is exempted. FOM 902, page 12-13.

In the instant case, petitioners' representative argues that the child support should be counted as a resource (asset) rather than unearned income because the monies were gained by attaching the [REDACTED] [REDACTED] return for unpaid back [REDACTED].

This Administrative Law Judge finds that the policy in effect on July 16, 1996 indicates that the department is to count the total amount of child support reimbursement as unearned income. (Department Exhibit 30). Even if the department excluded \$ [REDACTED] per child the income would still have exceeded \$ [REDACTED] which is the State of Michigan AFDC Standard of Needs chart as of July 16, 1996. The family income exceeded the AFDC Standard of Needs effective July 16, 1996. Petitioner did not have income eligibility on the date of the child's removal from the family/parental home. This Administrative Law Judge has no equity jurisdiction. Under the circumstances, the department has established by the necessary competent, material and substantial evidence on the record that it was acting in accordance with department policy when it denied eligibility for Title IV-E funding for the children.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department did appropriately determine that the child did not meet the eligibility standards for Title IV-E eligibility based upon its determination that the family income exceeded Title IV-E AFDC Standard of Needs for July 16, 1996.

Accordingly, the Department's decision is **AFFIRMED**.
