The Administrative Law Judge, based on the evidence on the whole record, finds as material fa	•	rial, and substantial

☐ Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.					
☐ The State SSI Payments (SSP) program is established by 20 CFR 416.2001209 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.					
Additionally, the Department testified that claimant was considered for all MA programs. Claimant did not meet the eligibility requirements for any program, and the AMP program is currently closed to new enrollees. The age limit for the G2U program is 21 years old. Therefore, as the claimant did not meet eligibility requirements, and as the claimant was unable to articulate what program they were qualified for, or how the Department's closure was in error, the Administrative Law Judge holds that the Department was correct to close the case in question.					
The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department					
 □ acted in accordance with Department policy when it removed claimant's son from the MA program. □ did not act in accordance with Department policy when it □ failed to satisfy its burden of showing that it acted in accordance with Department policy when it □.
