FINDINGS O	OF FACT	
The Administrative Law Judge, based on the evidence on the whole record, finds as material	•	rial, and substantial
Claimant ⊠ applied for ☐ received: ☐ FIP ☐ FAP ☐ MA ☐ AMP benefits.	□SDA ⊠CDC	□DSS □SSP

administers the program pursuant to MCL 400.10 and provides services to adults and

children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

☐ Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.				
The State SSI Payments (SSP) program is established by 20 CFR 416.20012099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.				
Additionally, the Department has failed to meet its burden of proof in the current case. The Department alleged that claimant had failed to return required income and CDC provider verifications necessary to process the application in question. However, the Department provided no evidence showing that the verification was requested, or that the verification was needed. As such, the undersigned must hold that the Department has failed to meet its burden of proof and the application in question must be reprocessed.				
It should be noted that the claimant brought proof of the Department's request for verification with her to the hearing. However, the undersigned notes that the claimant is in no way required to prove the Department's case, and the undersigned had rendered his decision directly after the Department had rested their case and before the claimant presented any evidence, making the point irrelevant.				
Furthermore, even if the claimant had submitted the evidence into the record, it would have had no effect on the current decision, as the claimant had testified that she had submitted all required documents and also had evidence supporting her testimony. As such, whether or not the claimant could provide evidence supporting the Department's case is irrelevant, as the evidence in whole would have shown that the claimant's application was incorrectly denied.				
The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department				
acted in accordance with Department policy when it did not act in accordance with Department policy when it failed to satisfy its burden of showing that it acted in accordance with Department policy when it denying the CDC application in question.				
DECISION AND ORDER				
Accordingly, the Department's decision is				
☐ AFFIRMED. ☐ REVERSED. ☐ AFFIRMED IN PART with respect to and REVERSED IN PART with respect to .
